WELCOME
The Kellar Staff extends a warm welcome to you as part of the Kellar Family! To help you enjoy your experiences at Kellar, this handbook will introduce you to the school’s programs, services, and policies. Through an understanding of the regulations that keep our school functioning efficiently and an awareness of the many opportunities offered at Kellar, a clear understanding will be established among the school administration, staff, parents, and students.

Please read the entire handbook and discuss it with your child/children. Keep this handbook, as well as your Peoria Public Schools Handbook/Calendar readily accessible throughout the year to help you stay informed and to answer questions as they arise.

MISSION
Kellar Primary School seeks to create a challenging learning environment that establishes high expectations for success through development-appropriate instruction that allows for individual differences and learning styles. We strive to have our parents, teachers, and community members actively involved in our students’ learning.

VISION
Every student is a life-long learner who is a responsible, productive and engaged citizen within the global community.

As a public school, Kellar participates in common assessments. These tests are administered at various grades throughout the school, and parents are given notification prior to testing. Tests given include but are not limited to: NWEA-MAP in grades K-4th, Cognitive Abilities Test (CogAT) in 4th grade, and Illinois Assessment of Readiness (IAR) in 3rd and 4th grades.

ATTENDANCE & TARDINESS
All students are required by law to attend school every day it is in session. The regular school day is from 9:10 AM to 3:40 PM. The following times are used to determine tardy and absence reporting:

Grades K & 1
Tardy If arrive between 9:11 and 11:10 AM
If leave between 1:40 and 3:40 PM

½ Day Absent If arrive between 11:10 and 1:10 PM
If leave between 11:40 and 2:10 PM

Full Day Absent If arrive after 1:40 PM
If leave before 11:10 AM

Grades 2, 3, & 4
Tardy If arrive between 9:11 and 10:10 AM
If leave between 2:40 and 3:40 PM

½ Day Absent If arrive between 10:11 and 1:40 PM
If leave between 11:10 and 2:40 PM

Full Day Absent If arrive after 1:40 PM
If leave before 11:10 AM

Excused Reasons for absences are as follows:
1. Illness
2. Observance of religious holidays (with 5 days prior notice) (Board Policy 7:80)
3. Death in the immediate family
4. Family emergency
5. Situations beyond the student’s control as determined by the Board of Education
6. Other situations which cause reasonable concern to the parent for the safety or health of the child

Parents should call the school to report a child’s absence before 10:00 AM. If you do not call, you will receive a recorded message indicating that your child is not in school. A written excuse signed by the parent or doctor is required to explain an absence. Without a phone call and/or written excuse, an unexcused absence will be recorded.

When a student is to be dismissed early, a request must be written by the parent stating the reason for early dismissal and must be presented to the teacher.

When students leave or return during the school hours, they must report to the office and the parent/guardian must sign them in or out with the school secretary.
Your child should stay home from school if he/she has any of the following:

- Fever of 100° or higher
- Diarrhea / Vomiting
- Rash with fever
- Pink eye that has not been treated
- Tuberculosis
- Impetigo
- Strep throat
- Scabies
- Chicken pox
- Hepatitis A virus
- Infection
- Any other obvious signs of illness

**AWARDS**
An Awards Assembly for students in grade 2-4 will be held the last week of school. Awards will be presented for perfect attendance (no absences and no tardies), Young Authors, Accelerated Reader, Music Club, and the President’s Award for Educational Excellence (4th).

**BIRTHDAY CELEBRATIONS**
Children may, with parent approval, bring a birthday treat for their class on their birthday. Please send a note to inform the teacher. Students whose birthdays are during summer break can celebrate on their “half birthday” (i.e., July 7 birthday recognized on January 7).

**BREAKFAST & LUNCH PROGRAM**
(Board Policy 4:130)

_Breakfast and lunch are available at school. Meals are planned to meet student dietary guidelines established by the United States Department of Agriculture. Students in all District schools except Richwoods High School will receive free breakfast and lunch through the Community Eligibility Option._

ALL Kellar students will receive FREE breakfasts and hot lunches, regardless of need. Families are encouraged to take advantage of this offering.

Students may also bring cold lunches and purchase milk at school. Milk is 50¢. Parents may send cash or checks with students daily, weekly, or monthly. Payment can also be made online.

Parents are welcome to eat lunch with their child. Please send a note to your child’s teacher (along with $2.50 if you would like to purchase a school lunch).

Students will be notified of their lunch schedule and the expectations for lunch room behavior. Students may be isolated or removed from the cafeteria if their behavior is not acceptable. Students are allowed to converse quietly and are expected to remain seated while eating. If the noise level becomes too loud, the cafeteria staff may require a few moments of silence.

Weather permitting, the students are dismissed to play outside when they finish eating lunch. On inclement days, the students remain inside and walk in the gym.

**CLASSROOM PARTIES**
Three class parties will be held throughout the school year: Halloween, Winter, and Valentine’s Day. So that young and old alike can enjoy our Halloween parade, please avoid scary, gory, or bloody costumes. The Kellar PTO Room Parents sponsor these parties. Arrangements can be made for parents who do not want their children to attend the parties.
CLASS VISITS
Occasionally, parents wish to visit classrooms. While we welcome observers, we ask that you arrange visits in advance to avoid scheduling conflicts. Please contact your child’s teacher at least 24 hours in advance for classroom visits. Likewise, if you need to meet with a teacher, contact the teacher to arrange a time. All visitors must report to the office upon entering the school, sign in, and receive a visitor’s badge.

BEHAVIORAL EXPECTATIONS
The Kellar staff is very proud of our students and our school. We believe that Kellar is among the best primary schools in the state. In order to provide a safe and orderly environment for all students, School Board policy will be followed regarding student behavior. Kellar staff shall secure and maintain order and discipline in the classrooms as well as promote a suitable atmosphere for learning. Staff is also responsible for maintaining order and discipline in the hallways, gymnasium, cafeteria, and on the school grounds. In all cases in which an employee acts to help a child with his/her conduct, emphasis will be on teaching the child proper conduct and developing the child’s self-discipline. Classroom interventions for misbehavior will be used whenever possible. The school is not responsible for any confiscated items. When classroom teachers have exhausted all interventions, students are referred to the principal. The principal will notify the parent/guardian of the situation and the actions taken.

When the offense is considered severe or when physical assault or battery (fighting), gross disrespect, gross insubordination or gross disrespect of school personnel and/or fellow students, theft of property or vandalism, possession of drugs, possession of a weapon occurs, the student will be sent to the office immediately. The principal will determine the consequence to be given. Consequences could include reprimand, loss of privileges, detention, parent conference, in-school suspension, out of school suspension, or recommendation of expulsion. The severity of the offense and the frequency of the misbehavior will determine the consequence.

Weapons of any kind (e.g., guns (real or look-alike), knives, blades or anything that could be used to hurt someone) are strictly forbidden at school. Students in possession of any type of weapon or look-alike weapon will be subject to disciplinary action as per School Board policy.

Dress/Uniform Code
All students must follow the Peoria Public Schools student dress code (see below). The Board of Education policy requires all primary and middle school students to wear a standard uniform. Below are the requirements each student is expected to meet during each day of school at Kellar Primary School. Students are required to wear school uniforms every day, unless otherwise indicated. Hats may not be worn in the building. Pants are to be worn around the waist. For students’ safety, shoes must have a back or a back strap (flip-flops, slides, and clogs are not to be worn). Athletic shoes with non-marking soles are required for PE. Any clothing that causes unnecessary disruption will not be allowed. Parents of students violating the dress code will be notified and may be asked to bring a change of clothing.

Uniform shirts
- Must be one of the required colors – navy blue, light blue, white, or hunter green
- Must have a collar
- Must be free of writing, logos, stripes, or decoration
- Shirts are expected to be tucked in at all times for students in 2nd, 3rd, and 4th grades
Uniform pants/shorts/skirts/dresses
- Must be khaki, navy blue, or black
- Must be free of writing, logos, stripes, or decoration
- Sweatshirts, warm up pants, athletic shorts, and denim of any color are not allowed

Uniform sweatshirts or sweaters
- Must be one of the required colors – navy blue, white, or hunter green
- Must have a uniform shirt underneath with collar visible
- Must be free of writing, logos, stripes, or decoration
- Hoods are not allowed

Peoria Public Schools Dress and Grooming Codes

While the principle responsibility for dress and grooming rests with the student and his/her parents, the Board has the responsibility to ensure a minimum standard which would not be disruptive to the educational process or create a health or safety hazard.

All students shall maintain a standard of dress and grooming while school is in session which will include, but is not limited to, the following areas:

- **HAIR**: Hair shall be neat and clean. Hair rollers, curlers, etc., may not be worn. Hair nets or caps shall be required in certain classes to safeguard the health and safety of the student.
- **DRESS**: Bare midriffs, chests or unreasonably bare shoulders are not allowed. Skirts, dresses, slacks, shorts or other clothing must not be so short, tight fitting or of such a nature as to be suggestive or revealing. Hats and overcoats are not permitted to be worn inside the school buildings. Shoes must be worn. Cleats or metal taps which cause noise or floor damage are not allowed. Clothing cannot display slogans, pictures or emblems or gang symbols as described in School Board Policy 7:190 – Board Policy Prohibited Student Conduct.

The application of a portion of this policy to a particular student may be waived by a proper medical excuse.

Individual schools participating in the School Uniform Program have additional, specific dress requirements.

**Teachers On Duty**

Any teacher or staff member on the playground or parking lot is acting under the principal’s direction and has the authority to discipline all students and inform all parents of procedures.
What is PBIS?
Positive Behavior Interventions and Supports (PBIS) is a proactive systems approach for establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional, and academic success.
As a Response to Intervention model, PBIS applies a three-tiered system of support, and a problem-solving process to enhance the capacity of schools to effectively educate all students.

Data-based decision-making aligns curricular instruction and behavioral supports to student and staff needs. Schools applying PBIS begin by establishing clear expectations for behavior that are taught, modeled, and reinforced across all settings and by all staff. This provides a host environment that supports the adoption and sustained use of effective academic and social/emotional instruction. PBIS has proven its effectiveness and efficiency as an Evidence-Based Practice. (Sugai & Horner, 2007).

The principles and practices of PBIS are consistent with federal education mandates the Individuals with Disabilities Education Act of 2004 (IDEA 2004). PBIS integrates state school improvement initiatives including Systems of Support, Standards Aligned Curriculum, and Response to Intervention to assist schools in meeting Illinois’ educational goals and mandates.

### EMERGENCY CARDS

Each year parents are requested to complete a new emergency card for each child. These are important cards and must be completed in detail. If a parent cannot be reached, we need the name and phone number of someone to contact in case of emergency. If there is any change in this information during the school year, please contact the office to report the changes.

### FIELD TRIPS

Students will take field trips throughout the school year. Field trips relate directly to the school curriculum. Parents will be notified of field trips through the Principal Newsletter, teacher newsletter, and/or notes from the teacher. Field trips will also require a signed permission slip for students to participate.
FOOD ALLERGIES
To ensure the safety of students with food allergies, including students with peanut and tree nut allergies, several measures will be taken to prevent students’ exposure:

- All meals and snacks provided by Food Services will be peanut and tree nut free.
- A food allergy table will be designated in the cafeteria for students with food allergies and students eating hot lunch.
- Teachers will notify parents if a student has a food allergy, and safety measures will be used for snacks, treats, parties, and handwashing. Door signs will be used to alert visitors.
- Students who bring peanut and tree nut items in lunches are encouraged to wash hands after lunch.

HOMELESS STUDENT
Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate education, as provided to other children and youths, including a public preschool education. A homeless child may attend the District school that the child attended while permanently housed or in which the child was last enrolled. A homeless child living in any District school’s attendance area may attend that school. Transportation will be provided as mandated by the McKinney Homeless Assistance Act. A “homeless child” is defined as provided in the McKinney Homeless Assistance Act.

ILLNESS AT SCHOOL
Should a child feel ill at any time during the school day, he/she should tell the teacher. The teacher may send him/her to the office where office personnel will determine what should be done. Emergency first aid will be given when needed; however, the office personnel cannot give aspirin or other first aid medication. The parents will be called if the child needs to be picked up and taken home.

INTERNET ACCESS
All use of the Internet shall be consistent with the District’s goal of promoting educational excellence by facilitating resource sharing, innovation, and communication.

LATCHKEY PROGRAM
Kellar provides a before- and after-school program. The program is held in the Kellar cafeteria beginning at 7:00 AM and ending at 5:30 PM. For more information and/or registration visit the school website at www.peoriapublicschools.org/kellar or call the school at 693-4439.

LOST AND FOUND
All found articles are placed in the lost and found bin in the office. Students and parents may claim lost items in the office. Articles not claimed will be disposed of at the end of the school year.

NEWSLETTER
The principal’s newsletter, “Kellar Primary News,” will be sent home with your child once each month. It will also be posted on the Kellar web page. The newsletter will keep you informed of activities, PTO events, and information about Kellar. Please take the time to read this with your child.

PARENT-TEACHER ORGANIZATION (PTO)
Kellar is very proud of our Parent-Teacher Organization (PTO). Much of our success depends on our involved parents. We encourage all families to be a part of the PTO. Attend the monthly meetings and get involved in the many activities and programs the PTO sponsors for your child. Monthly meetings and activities will be announced in the newsletter.
**PARENT VOLUNTEERS**

We encourage parent volunteers at Kellar. If you have some time to volunteer, please let us know. Watch for opportunities to sign up with your child’s teacher or contact the principal.

**PHYSICALS, DENTALS, AND IMMUNIZATIONS**

School physical exams are required for students entering Pre K, Kindergarten, 6th, and 9th grades. Please complete and sign the health history portion. Students without proof of required immunizations or school physical exams will be subject to exclusion from school, as described in the school code of Illinois.

All students entering, transferring, or advancing into 6th, 7th, 8th, 9th, 10th, 11th or 12th grades will be required to show proof of receipt of one dose of Tdap vaccine (containing tetanus, diphtheria, acellular pertussis). Most students may have already received the vaccine and simply need to provide the school with verifying documentation from the family health care provider. Students who are new to Peoria Public Schools or who are entering Kindergarten, 6th, and 9th grades are required to present evidence of a current physical exam and immunizations by the first day of school. Failure to provide these records will result in students being excluded from school until the required health forms are presented.

Students entering 6th or 12th grade will be required to show proof of meningococcal vaccine. This vaccination will protect your student from a severe form of bacterial meningitis as well as other illnesses caused by this bacterium. 6th grade entry must show proof of receiving one dose of meningococcal conjugate vaccine (MCV4) on or after 10 years of age. 12th grade entry must show proof of receiving two doses of meningococcal conjugate vaccine (MCV4). The second dose of MCV4 must be > 16 years of age. If the first dose of MCV4 was administered > 16 years of age, then only 1 dose of MCV4 is required at 12th grade entry.

Students entering Kindergarten, 2nd, and 6th grades are also required to present evidence of a current dental examination.

Students who are new enrollees must present before October 15 proof of an examination by an optometrist or a physician who provides complete eye examinations.

**PARENT CONFERENCES**

Parent-teacher conferences are held at the end of the 1st grading period. All parents are expected to attend conferences to discuss children’s progress with their teachers. (Students will not attend school on parent conference day.) The teachers will schedule a time for each conference. If you need to reschedule your conference, please notify the teacher. Spring conferences are optional. If parents or teachers wish to meet, they will schedule individual conferences.

**SAFETY DRILLS**

During each academic year, Kellar will conduct a minimum of:

1. Three school evacuation (fire) drills,
2. One bus evacuation drill,
3. One severe weather (tornado) drill,
4. One shelter-in-place (Lockdown) drill, and
5. One law enforcement drill.

Fire drills will be held periodically throughout the year. A tornado drill will be held in the spring. As part of our Safe School Plan, we will also practice our Lockdown and Law Enforcement procedures throughout the year. During a Lockdown, students will remain in their classrooms and parents will need to wait until All Clear to be allowed to go to classrooms.

In case of emergency evacuation, students will either walk or will be transported to Mount Hawley Community Church at 6900 N. Mount Hawley Road.

If a crisis situation occurs, please know that the safety of your child is our number one priority. Depending on the situation, our emergency plans establish a communication process so we are able to keep parents and the community informed. If a crisis occurs, please help us to focus on the safety and protection of the children.

1) Please do not come to the school or location of the crisis.
2) Please do not call the school or District for information. These phone calls can overload the phone lines, which can prevent necessary or emergency communications from getting through.
3) Please talk with your child and encourage them to avoid using cell phones during a crisis. Often incorrect information is relayed to parents, media or the public. This causes communication efforts to focus on correcting rumors instead of providing facts.
4) We will keep you informed. We will provide key information and directions as available through automated phone calls, our website (www.peoriapublicschools.org), and our local media partners - especially WMBD Radio 1470 AM.

SCHOOL BUSES
The opportunity to ride the school bus is a privilege. Proper conduct will be enforced. Students who abuse transportation rules may lose bus privileges. When a student violates the bus rules, the driver will complete a “School Bus Incident Report” form for the infraction. This is given to the principal who sends a copy to the parent. Repeated or serious violations will require consequences. When a child is suspended from the bus, parents are responsible for transporting him/her to and from school. Video surveillance is used on Peoria Public Schools' buses to monitor conduct and maintain safety for students and employees. Recordings are confidential records.

The following are basic expectations for bus behavior:
1. Students remain seated at all times (except when boarding and leaving the bus)
2. Keep hands, feet, and objects to yourself
3. Quiet talking is allowed (unless otherwise directed by the driver or monitor)
4. No eating or drinking is allowed on buses
5. Respect others (students, driver, and monitor)
6. Follow adult directions

Rides
If your child is a bus rider and wishes to ride a different bus, a note from the parent is required. The secretary or principal must sign the permission note by 3:15 p.m. Please advise your child not to accept rides from strangers or anyone without your prior permission.

SNOW DAYS

In the event of an emergency that might affect individual buildings or the entire school system, such as excessive snow, the Superintendent is empowered to declare an emergency and close affected schools. School closings will be announced on www.peoriapublicschools.org, radio, and television as quickly as a determination is made. The Schoolwires phone messaging system will also be used to alert parents and/or guardians. Should the District be forced to close due to an emergency, additional days may be added to the end of the school year.

STUDENT BELONGINGS

Personal items such as electronics, jewelry, and large amounts of money should be left at home. This is to avoid theft, loss, or damage to student property.
STUDENT MEDICATION

(Board Policy 7:270)

Students should not take medication during school hours or during school-related activities unless it is necessary for a student’s health and well-being. When a student’s licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the student to take a medication during school hours, they must request that the school dispense the medication to their child/ward and otherwise follow the District’s procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student’s self-administration of, any prescription or non-prescription medication until a completed and signed “School Medication Authorization Form” (form #615) is submitted by the student’s parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures. A student may possess medication prescribed for asthma for immediate use at the student’s discretion, provided the student’s parent(s)/guardian(s) have completed and signed a “School Medication Authorization Form.” The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury from a student’s self-administration of medication or the medication’s storage by school personnel. Parent(s)/guardian(s) must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student’s self-administration of medication or the storage of the medication by school personnel.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The school nurse will administer the initial dosage. The will administer subsequent dosages.

Special health concerns need to be reported to the school office. A meeting will be held with the parent, school nurse, and principal to develop a plan of procedures to follow in emergency situations. A written document will be filed indicating the course of action.

STUDENT PICTURES

Pictures will be taken of all students and staff in the fall. Students will be notified of the date and time in advance so they may dress accordingly. Parents may purchase copies of the pictures from the photographer. Students will bring home information in advance and pay for the picture packages on picture day or online. A re-take day will be offered for students who were absent on picture day.

We request that parents complete and return the Photo Release form to allow us to use children’s pictures for school displays and newsletters. A Photo Release form is included in the registration packet. We expect that the media will be interested in what is happening at Kellar. If for any reason you do NOT want your child to be viewed on television or photographed by the media, please ensure that you have indicated this on the Photo Release.

Student temporary records are subject to periodic review for purposes of removing all information, which is out-of-date, inaccurate, or irrelevant. You are entitled to copies of these records prior to their destruction. Please be advised that these records will be destroyed on June 5, 2020.
