Kellar PTO Fall Fundraiser

Dear Kellar Families,

Thank you for your continued support of the Kellar community. While we have had to cancel, postpone, and make adjustments to our PTO sponsored school activities this year, we are grateful for in-person learning and the amazing Kellar staff for always going above and beyond for our kids. Despite the changes and modifications, The Kellar PTO continues to be focused on strengthening the school, the students, and the faculty and we would like to make this year’s Fall Fundraiser bigger and better than ever.

**Direct donations/Letter-writing campaign**

We are kicking off our fall fundraiser where we ask for the Colts to ask for direct donations that are 100% retained by the PTO and are tax deductible to you. This has been successful for us before and we are finding it the best option to help us raise funds again this year. In lieu of selling fundraising products where 50% or less of the money reaches us, this is a one-time request for cash gifts, which the PTO uses to support all our students and needed school upgrades.

We are asking each child to participate in our fundraiser by asking friends and family to show support for Kellar and to consider donating to our fall fundraiser. A letter is attached, which students can personalize, copy and share. Any amount will help, and we have some fun incentives this year:

1) Any donation amount = Free Dress Day (Specific Date is TBD)
2) $25 raised = Entry into raffle for $100
3) $100 raised = Special lunch with our principal, Mrs. Baron!

In addition to these individual incentives, we will also be awarding the top classroom with a pizza party.

For safety, we ask that adults accompany children soliciting donations door to door.

We will be running this fundraiser November 8th through December 3rd. Money can be sent to school with your student and given to their teacher, dropped off at the Kellar office or online at https://kellar-pto.square.site

With Great Appreciation,

Kellar PTO Executive Board
