Dear _____________________,

It's Fall Fundraiser time at Kellar Primary School! It's our job as students to ask family and friends to show their support by giving a monetary donation rather than buying overpriced goods. These donations are the main source of funding for our Parent Teacher Organization (PTO) and directly make my education better.

Last year, we raised almost $6,000, and the PTO was able to assist in the installation and landscaping of our new Kellar Colt named Spirit, update our front door sign, and give all the teachers $50 to put towards needs they have for their classrooms. This year's funds will be used to continue to support ALL Kellar students and assist with needed school upgrades as well as improve my classroom directly.

All of the donations I collect are 100% tax deductible and will be put to good use at my school. And guess what? I might win a prize. The PTO will reward us kids who work really hard and the classroom that raises the most money wins a special prize!

Please fill out the form below. I can collect the donation, you can mail it or we also accept online donations at https://kellar-pto.square.site

THANK YOU for sharing your hard earned resources and for supporting me and my school. WE ARE KELLAR!

Thank you,
