Dear Parents and Guardians,

I hope your summer is going well! It is with immense admiration and pleasure that I am the principal Valeska Hinton! We had a rich year of learning and we want to continue to have our students grow this upcoming 2019-2020 school year. Valeska Hinton Early Childhood Education Center has a revered background of academic and cultural excellence that results in a vast partnership between the school staff and parents who provide a diversity of experiences for students. We are truly honored to be working with a dedicated staff to provide the best possible educational program for our students.

Please "Save the Date" for our *Unpack Your Backpack Event on July 16 at 2:00PM or 5:30PM*. This will be a chance to quickly come and meet your teacher, see the classroom, and get your child's bus tag for the first day of school. Transportation will be available for questions.

Finally, I am an administrator that is truly dedicated to your family, your child, and their academic and social emotional needs. This is especially true, as many of you are starting the journey together with Valeska Hinton and as a preschool student and parent. It is my greatest hope to provide a learning environment that supports the needs of all children and families at Valeska Hinton. We believe with the collaboration of parents, teachers, support staff, and administration we all will achieve our highest potential. We want to encourage everyone this year to...
