Academics

**HMH into Literature**
A comprehensive English language arts solution at Grades 6–12 that focuses on students' thinking—and thinking about thinking—as part of developing analytical and effective readers, writers, speakers, and listeners.

**Teach TCI**
The science program has a standards-based approach that focuses strongly on the concept of teaming.

**Writing and Language Arts**
Writing is taught in all subjects and emphasizes the various writing stages such as: prewriting, drafting, revising, editing, proofreading, and publishing.

**EnVision Math**
The math program is a researched based mathematics curriculum designed to engage students and promote critical thinking.

**Fine Arts**
Music and visual arts are presented as a combination of history, performance, appreciation, and practice.

**Physical Fitness and Health**
The focus in physical education is on healthful nutrition and appropriate objectives in the areas of speed, flexibility, endurance, strength, and agility.

**Positioning Statement**
Growing a world class district by redefining teaching and learning.

Rolling Acres Middle School is a Caring Community

At Rolling Acres, we strive to develop a strong relationship with parents. We have a family and student support team, which works with families whose problems may be interfering with academics. We also partner with parents through our Parent/Teacher Organization, volunteer programs, and business and neighborhood associations.

**Fundraising**
PTO sponsors several fundraisers to provide resources for learning and for family activities. Funds are provided to each classroom, the library, the custodial staff, the fine arts program, physical education, and the office.
