Connecting Families and Schools to help our children succeed
WE NEED YOUR HELP!
In order for your child to be successful in school, a group effort is needed between you, your child, and Sterling. We encourage family involvement through family events and activities, volunteer opportunities (during school day and after), school visits/contacts, and involvement in PTO activities.

Mission Statement
As Jaguars we strive to be decent human beings that respect every person, build relationships with those around us, take responsibility for our choices and actions, repair situations quickly and honestly, and integrate ourselves into a safe, collaborative learning environment.

Sterling’s 3 Goals
1. Be a Decent Human Being.
2. Personal Betterment
3. Academic Growth

Sterling Jaguars step up at school and in the community to be kind, decent human beings!
