Quotes from Students

“The kids take their work seriously and the teachers take time to give individual help if you need it.”
5th Grader

“There is something for everybody at Washington. So many clubs to choose from and the staff is open to new ideas!”
7th Grader

“Being challenged and all the sports”
6th Grader

“Coming together with students from all over the city. You make bonds with people you never would have. By 8th grade your entire class is like a family”
8th Grader

“My favorite thing about Washington, by far, has to be the Larado Taft trip. Normally a trip without electronics seems like a horrible idea, but a trip like Larado Taft was amazing. It connected me more with all my peers as well as opening my eyes to how beautiful the world can be.”
8th Grader

Mission Statement
The mission of Washington Gifted Middle School is to empower students to become responsible, self-directed, and lifelong learners. Through positive partnerships of family, school, and community, our students will achieve an intrinsic concept that will extrinsically serve them throughout their lives beyond Washington Gifted Middle School, thus, creating valuable members to our community.
