ACTIVITY BUS

An Activity Bus is provided for students participating in after school activities. All activities, other than games, will end by that time. If a parent is not at school to pick up a child by the time the Activity Bus arrives, the student will be required to ride the bus.

ARRIVAL TIMES AT SCHOOL

Unless specifically requested by a teacher, students should not arrive at school before 8:15. Parents must be aware that if students arrive at school before 8:15 a.m., they will not be under the supervision of a teacher and will wait outside of the building.

ATTENDANCE AND ABSENCE NOTIFICATION

Regular and punctual attendance is essential to a student’s success in school. Most subjects are taught in sequence, requiring the understanding of each concept in the order of its presentation. Persistent absenteeism creates a genuine hardship for a student and is regarded as a very serious problem and has a definite correlation with academic success. All students in grades K-8 are required by law to attend school every day it is in session. Acceptable reasons for absences are as follows:

1. Illness of pupil or serious illness in the family
2. Death in the family
3. Medical and dental appointments that cannot be arranged when school is not in session
4. Religious holiday

Parents should call to report their child’s absence or tardy before 8:00 a.m. For your convenience, you may leave a voicemail with the school secretary 24 hours a day, or send an e-mail to washington@psd150.org. If you do not contact the school office, you will receive a recorded message from Peoria Public Schools, indicating your child is not at school. A written note, email or phone call is required for each excused absence. Without this notification, the absence will be unexcused.

Students are required to give advance notice to the school in order to be excused for any other type of absence. A written note, e-mail, or phone call to the office, from the parent, is mandatory. If your child is going to miss school because of a planned trip, please notify the school, in advance, of the dates. Requests for students to be absent for personal family reasons, other than those previously stated, must be made in writing by the parent or guardian to the principal susan.martin@psd150.org, and secretary mary.gavin@psd150.org at least 48 hours in advance.

Students must be in attendance for 50% of the day to participate in an inter-school game on the day a game is scheduled or 50% of the day before if a contest is to be on a non-school day. Students should be present at school by 11:45 a.m. to be eligible to participate in the activity. No student may participate if he/she is absent for the entire day of the contest. If a partial day absence is due to illness, personal, or family issues, the principal and coach shall decide if a student may participate.

When students leave or return during school hours, they must report to the office to sign in and out.
**BACK PACKS, BAGS, AND PURSES**
Backpacks, bags, and purses are not allowed in classes. Students will be issued lockers and locks. Any deviation from this, must have permission from the principal.

**BUS ROUTES**
The routes which our buses run are established by the PPS Transportation Department. Safety, economy, efficiency, and allocation of resources are some of the considerations, that are evaluated in determining bus routes. These routes were developed with the intention of providing the best possible service on the most direct routes.

School district policies are in effect while students are on the buses. Infractions may result in loss of bus riding privileges.

The route number of the bus your child will ride is provided to you in a separate mailing. Please note the stops and approximate times which are listed on the bus route paper. It is sometimes necessary to modify these routes during the school year because of students relocating, etc. Your child will be notified by the bus driver of any major changes in starting times and/or routes. You can sign up for electronic bus bulletins if needed.

If you have questions regarding transportation, call the PPS Transportation Department at 693-4418.

**IMPORTANT** – We currently have seven school buses bringing students to school in the morning and picking them up in the afternoon. For the safety of our students, the parking lot in front of our main entrance **must be kept open for buses only between 8:00 a.m. and 8:40 a.m. and between 2:40 p.m. and 3:10 p.m.**

**CHANGING OF CLASSES**
When students are changing rooms at the end of a period, they are to go directly to their next class. Teachers and staff are in the halls to ensure an orderly transition to the next period. Students may only stop at lockers first thing in the morning, before and after lunch periods, and at the end of the day.

**COPY MACHINES**
Students may not use copy machines and need to make arrangements for personal copies to be made outside the school day.

**DESKS AND LOCKERS**
A locker with a combination lock is issued to each student at the beginning of the school year. **Students should not tell other students their combinations.** Moreover, they should be careful with their locks. A broken lock resulting from carelessness will result in the necessity for a student to purchase a new lock from the school. The cost for a new lock is $4.00. Students are expected to keep their lockers clean and not to abuse them in any way. No medication of any sort, including prescriptions, cough drops, over the counter pain relievers, etc may be kept in lockers. Students should bring any medication to the office where it can be dispensed with the proper medication authorization forms.

The school cannot be responsible for valuables left in lockers. Sometimes there may be special circumstances which require a student to carry significant cash or valuables to school. Cash or valuables can be safeguarded by registering and leaving them in the office.

Student desks and lockers are the property of the Peoria Public Schools. School personnel reserve the right to inspect these desks and lockers at any time, with or without the presence of the student. Any
material distracting to the learning environment, such as inappropriate pictures, etc. will be removed. When a student has been issued a lock by the school, no other lock may be used on the locker assigned to that student.

**DETENTION.**
Detention may be hosted during the school day (lunch/recess time) or after school. Students will be informed of their times as needed.

**DIRECTORY**
The PTO may accumulate information for an on-line school directory. Additional information will be given.

**DISCIPLINE.**
The behavior expected from students is a combination of common courtesy, respect, and safety. Multiple infractions of school discipline policies may result in exclusion from school field trips and activities.

Washington Gifted Middle School follows the district’s discipline handbook in all discipline related matters. The district discipline handbook can be found in the district calendar or by visiting [www.peoriapublicschools.org/discipline](http://www.peoriapublicschools.org/discipline).

They may not be used at any time during the school day. Students may not use cell phone cameras to take photos or videos of others. If a cell phone or electronic device is confiscated by a staff member, it will be given to the principal and returned to the student at the end of the day or the parent/guardian may come to school to obtain it from the principal.
10. To ensure student safety, electronic devices are not allowed on field trips. Recording and posting on social media is strictly prohibited.

Parents:

1. Please supervise your child’s electronic use outside of school hours and establish social media guidelines.
2. Review with your child the type of behavior you and the staff at WGMS expects on the bus, in the classroom, on the playground, and at all school functions.

**School is a student’s “place of employment.”** Students generally conduct themselves in a manner similar to the way in which they dress and groom. Students should be dressed for the academic work of school. This includes not wearing clothing that is too tight, too short, sloppy, disruptive to learning, holes and rips, etc. We ask parents to monitor their child’s dress.

Example of pants – chino style – can be purchased at Penney’s, Walmart, Target, etc.

Students in violation of the dress code are:

1. Informed of the infraction and instructed to correct the infraction, which may involve changing an article of clothing or putting the clothing away.
2. Informed of the infraction and the parent is contacted via staff or principal.

**DROP-OFF AND PICK-UP PROCEDURES**

Morning drop off for car riders is in the north parking lot (towards the baseball fields). Please pull up to the end of the building to let your student out of the car. Students should be ready to exit the vehicle. Students will walk down the marked pavement and across the sidewalk to the main doors. No student should be dropped off in front of the main doors as that is a bus lane only from 7:00 - 7:40. After school pick up is in the north parking lot as well. Please be courteous to other parents and pull into a parking spot to wait for your student. This helps to alleviate the traffic back up on Grand Blvd.

**ELECTRONICS/PHONES/IPADS/DEVICES**

Electronics of any type should be left at home, as they are a distraction to the school environment. All devices need to be turned off or silenced and put away in backpacks once students enter the school building. The school is not responsible for lost, stolen or damaged items. Devices will be held in the office if students are not following school expectations. See the Discipline Section for more information.

Grades will be checked weekly and students will be informed if they are ineligible for participation. This includes all sports, drama, clubs, etc. We follow both the Peoria Public Schools policy and IESA guidelines.

FIELD BASED EXPERIENCES/SCHOOL FIELD TRIPS GUIDELINES
Students who participate in offsite field trips, of which there are many, are expected to represent Washington Gifted Middle School with integrity. Students may be excluded from participation if they are not considered in good standing. This can include frequent discipline referrals, refusal to participate in academic or behavioral interventions, and a disregard for the core school mission. In addition, electronic communication devices are not to be brought or used on any field trip. Field trips require a signed parent or guardian note in advance of the day of the trip. These trips often have specific information and guidelines specific to that experience provided beforehand. Permission slips must be turned in by the due date or students will not be permitted to attend.

**LOrado TAFT FIELD SCHOOL – 8TH GRADE**
Our eighth-grade students will participate in a one-week Outdoor Education Field School. The site is the Lorado Taft Field Campus, located just outside Oregon, Illinois. The Field Campus, owned and operated by Northern Illinois University, consists of 161 acres accessible only through Lowden State Park.
We will leave the school on Monday morning, March 28, 2022, and return Friday afternoon, April 1, 2022. The cost to each student will be $300.00. This includes transportation, meals, room, etc. No student will be denied the opportunity to participate in the Field School because of financial reasons, however there are no complete scholarships available. A student must be in good standing to attend. Repeated discipline infractions throughout the year, may result in ineligibility for the field trip.

**LOST AND FOUND**
We maintain a Lost and Found in the foyer for items of clothing, books, notebooks, lunch boxes, etc. Please check in the office for smaller items such as keys, glasses, or jewelry. Items left behind will be donated at the end of each quarter.

**LUNCHROOM/RECESS**
Our lunchroom is used daily by nearly 300 people. It requires cooperation on everyone’s part to make the lunchroom an efficient place to eat. Students may eat only when seated. When students have finished eating, they must remove their own trash. Nothing is to be left on the table or floor. Students will have approximately 15 minutes to eat and a 15-minute recess. We do have picnic tables for outdoor eating when the weather is appropriate. Students will be outside for recess as long as the temperature is above 25 degrees (feels like temperature).

**MEDICATION ADMINISTRATION**
According to Board Policy 7:270, teachers and other non-administrative school employees, except School nurses and non-certified registered professional nurses, shall not be required to administer medication to students. Parent(s)/guardian(s) are responsible for administering medication to students. Administering medication during school hours or during school-related activities is discouraged unless it is necessary for the critical health and well-being of the students.

Parent(s)/guardians may authorize their child to self-administer a medication according to the District’s procedures for student self-administration of medication. Students may be allowed to have
inhaleders and epinephrine auto-injectors in their possession and self-administer by indicating such on the School Medication Form and/or Emergency Action Plan.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

It is sometimes necessary for a student to take prescription or over-the-counter medication at school. This can only be done with a health care provider’s request. The prescriber and the parent/legal guardian must complete the School Medication Authorization and Release Form, Form 615, when a student is required to take medication at school. If your child was taking prescription medication at school last year, and needs it continued, you must have a new Form 615 completed. Forms are available at the school office.

For inhalers ONLY, a photocopy of the prescription label on the box substitutes as the health care provider signature. Do NOT take the form to the doctor’s office. Please bring a copy of your child’s Asthma Action plan to the office; your child’s peak flow meter will be kept with the inhaler.

Medication is to be brought to school in the original labeled container, and is kept locked in the school office, unless possession is authorized as noted above. Any leftover medication at the end of the school year is to be picked up by the parent, or it will be discarded. Medication will not be stored over the summer.

Students with diabetes must submit a current DMMP (Diabetes Medical Management Plan) each school year.

PLAY AREAS

We have an area in back of the school and a large grass area to the north of the school that are used for recess and PE. Students are not allowed in the wooded areas surrounding the school.

RECORDS

Student temporary records are subject to periodic review for the purpose of removing out-of-date items. You are entitled to copies of these records prior to their destruction. Please call the office 24 hours in advance if you want to arrange for an appointment for a review of the records.

REPORT CARDS

Midterm Reports or Progress Reports are issued every five weeks. Report cards are issued at the end of each semester. Please carefully review your child’s progress and contact the school if you have questions regarding grades. Parent/teacher conferences are scheduled for October 18 and 19. Parents’ attendance at conferences is very important. A parent may request a conference with his/her child’s teacher at any time by emailing the teacher directly. Likewise, a teacher may sometimes find it necessary to request a special conference with a parent. Please make every effort to meet with the teacher if you receive such a request.

REQUEST TO RIDE A DIFFERENT BUS

Occasionally we have a request from a parent for his/her child to ride a bus other than his/her own so that he/she may go home with a friend, go to a lesson, etc. We will honor such requests provided:

1. That there is room on the bus the child wishes to ride
2. That the parent sends a written note to school with the child indicating the parent’s request

We will sign the note indicating our approval and instruct the child to give it to the bus driver. Bus drivers will not allow riders who are not assigned to their buses without a note from the school office.
REQUEST TO LEAVE SCHOOL PREMISES
Any student that leaves school premises after school not accompanied by a parent, MUST have a note from the parent. The note must be given to the principal. It will be kept on file for the current school year only.

SCHOOL IMPROVEMENT PLAN
Washington Gifted School creates an improvement plan, which is updated yearly. The plan is filed with our local School Board and with the State of Illinois.

SMOKE-FREE ENVIRONMENT
Smoking is never permitted on school grounds or in the school building. This is an Illinois State mandate that is in place for the safety of our children.

SPORT PHYSICALS
Sport Physicals are required for students to participate in sport activities. Sport physicals completed on the IHSA/IESA Pre-participation Examination form are valid for one year plus 30 days. Approval for sports on the “State of Illinois Certificate of Child Health Examination” form is valid for one year unless otherwise indicated by health care provider. IF your child has a Sport Physical on file, please check with the office to verify the date.

TARDY BELL
School starts at 8:30. Any student not in homeroom when school begins, without cause, will be counted tardy. Students who arrive after 8:30 must go to the office, sign in, and get a tardy pass before entering class.

TELEPHONE USE FOR EMERGENCIES
Students will be allowed to use the office telephone only for emergencies. They will not be allowed to use the telephone to see if a friend can come home; see if they can go to a friend’s home; or see if mom or dad will pick them up (unless ill) etc. There is no pay phone at school. Cell phones must be kept off and in lockers during the school day.
