Please email Mrs. Reardon for stream requests at kelly.reardon@psd150.org

All stream requests may take up to 24hrs. before being sent home.

If your stream does not connect to the internet at home:

1. Make sure airplane mode is off

2.   a. The student can bring the stream back to school and login on our network to gain access.
   b. You may drive to the nearest PSD150 school and login on that PSD server. Should be able to do this from the parking lot.
