A SCHOOL IS JUDGED BY ITS STUDENTS, AND STUDENTS ARE JUDGED BY THEIR SCHOOL. We are “THE PRIDE OF THE CITY” AND WILL BE HELD TO THAT STANDARD. For this reason, it is your responsibility to follow certain rules which make for good citizenship. You should be self-reliant, respect the rights of others, and discipline yourself in a manner that is approved and followed by your fellow citizens. Students at the PRIDE pass 7 classes each semester to earn 7 credits each school year.

All-School Eligibility

Attendance/Grading Policies and Procedures
Daily school attendance is essential for student academic success. The Peoria Public Schools Attendance and Grading Policy/Procedures is accessible through the district office or the website: [www.peoripublicschools.org](http://www.peoripublicschools.org)

Latin Honor Codes
Latin Honors for Peoria Public Schools are based on a 5.00 scale. Students receiving 4.0-4.49 are designated Cum Laude, 4.5-4.74 Magna Cum Laude, and 4.75-5.0 Summa Cum Laude.

Grade Point Average (G.P.A.)
Semester grades in academic subjects are used to compute each student’s G.P.A. Extra weight is given for Enriched, Dual Credit, and Advanced Placement courses when computing class G.P.A.
PHS Honor Association
Sophomore students who meet all membership qualifications are recognized for outstanding scholarship (3.0 GPA or higher), leadership, and service.

National Honor Society (NHS)
Selection to NHS is a privilege bestowed upon students by the faculty of the school, and not considered a right inherent to any student. Students who have earned a GPA of 3.0 or higher at the end of their 6th semester are invited to attend a meeting to learn more about the selection process. Although the academic criterion is important acceptance into the NHS is never determined on the basis of grades alone. At the meeting, students are given a form that outlines the academic, service, leadership, and character criteria for selection into the NHS that a student must complete and return to support that they have met the requirements for each criterion. Once students have submitted their forms the faculty and staff are given the names of the students and asked to evaluate the students, based on their experience. Lastly, the students’ names are presented to the administration for final approval.

Testing Program
College-bound students will want to register for the Preliminary Scholastic Aptitude Test (PSAT) and the National Merit Scholastic Qualifying Test (NMSQT) their junior year. The combined test, given in October, will provide the student a preview of the SAT and will also be the qualifying test for the National Merit Scholarship program. Juniors may also want to take the April ACT. Students who will be named Illinois State Scholars should take these tests during their junior year. There is a fee charged for the college-bound tests. All 9th through 11th grade students will take the PSAT/SAT.

SAT
The Scholastic Aptitude Test (SAT) is a required assessment for graduation. The SAT measures students’ abilities in meeting/exceeding college readiness skills. All juniors will take this exam during his or her spring semester. A student cannot receive a diploma from the state of Illinois if the student does not take the SAT at Peoria High School.

Exams and Waivers
The assessments and waivers document will be shared with students and posted on the PHS website. Only classified juniors who meet the established criteria can waive final exams.

Care of Books

Your textbooks are rented rather than purchased. Care of your textbooks is your responsibility. If you lose or damage a textbook during the year, you will be required to pay its original cost. Books are to be stored in lockers and nowhere else. To alleviate vandalism and the problem of lost books, students who have “A” or “C” lunch will be permitted to go to their lockers during the five-minute break between lunch and class. Students who have “B” lunch will leave their books in the classrooms and will not be permitted to go to their lockers on their way to or from lunch.

4) After leaving the building, all students should remain at least 100 feet away.

5) Students must stay with their classroom teachers after they have left the building.
6) All teachers will inform the students of the correct exits from each room.
7) School Personnel/Administration will deliver the signal to return to classes.
8) Only the doors designated as fire exits may be used. Other doors, although convenient, may not be used as they are not equipped with panic locks.

**CO-CURRICULAR STUDENT ACTIVITIES**

**Student Council**
The Peoria High Student Council provides representation for students so they will get the most out of their high school years. Students will become more aware of self-government through their involvement in council. This organization gives students experience in a governmental system and provides leadership and service for the students of Peoria High.

Medications
All medication (except inhalers and Epi Pens) must be stored in the nurse’s office.
1) Prescription medications must be in a container appropriately labeled by the pharmacy or physician accompanied with the SCHOOL MEDICATION AUTHORIZATION FORM completed by the parent and physician. It is the student’s responsibility to come to the office at the appropriate times for medication.
2) Asthma inhalers and Epi Pens require a SCHOOL MEDICATION AUTHORIZATION FORM to be completed by the parent/guardian. It does not require a physician to complete the form if a copy of the prescription label from the box accompanies the form (you may also bring in the box and we can make a copy of it for you). Illinois State Law requires all students with Asthma to have an Asthma Action Plan, completed by the student’s physician, to be on file each year. Inhalers and Epi Pens may be kept by the student during school hours and activities.
3) A new supply of medicine and a new authorization form (prescription and /or over the counter) will be required each school year.
4) Any Over-the-Counter medications MUST be in the original container. A SCHOOL MEDICATION AUTHORIZATION FORM must be completed and signed by the parent/guardian and a physician.
Note: The parent(s)/guardian(s) will be responsible at the end of the treatment regimen/school year for removing from the school any unused medication which was prescribed for their child. If the parent(s)/guardian(s) do not pick up the medication by the end of the school year, it will be discarded.

Illness During School
Students who become ill while at school must report to their classroom teacher for a pass to the nurse’s office. The nurse will assess the student’s complaint, contact the parent/guardian and together they will determine the best course of action. Students cannot leave school without the permission of school personnel (Administration/Nurse). Students who do not follow the procedure are subject to school discipline. Please ensure that there are current phone numbers on file. School will call 911 in an emergency.

Injured Students
Parents/Guardians of students who have physical limitations resulting from injuries should contact the nurse’s office. Students are required to submit a physician’s note regarding any accommodations that may be necessary. School will call 911 in an emergency.
