Dear Parent Guardian:

Throughout the year, students will have the opportunity to participate in district field trips aligned to grade level content. Locations include Peoria Riverfront Museum and Hult Center for healthy Living.

Schools will notify you of the exact dates of these trips in their regular communication to parents via parent e-mails or school newsletters.

Please understand that we make a priority the learning potential, organization, and safety of the student in each field trip. We offer a variety of experiences at all grade levels throughout the year. By signing this form and returning it to the school office, you agree to allow your student to participate in district sponsored off-site trips throughout the school year.

If you do not wish to have your student participate in these trips they will remain at school completing alternate academic work.

☐ I give permission for my child to attend district sponsored field trips during the 2019-2020 school year

☐ I do not give permission for my child to attend district sponsored field trips during the 2019-2020 school year, unless I notify the appropriate personnel in writing in advance.
