Lindbergh PTO Meeting
Zoom Meeting
November 16, 2020 at 5pm

Jen Adler, PTO President welcomed everyone to the meeting.

Motion was made to approve the October PTO minutes. Monica Tatum made a motion to approve with the minutes. Julie Bowman seconded the motion. Motion carried.

**Principal’s Report**, Mrs. Sue Malahy
- Thank you to Angie Hummels for organizing the Fannie May fundraiser. The order came in on November 9th. All orders were sent home with students on the 11th & 12th. Parents were called for any students with large orders so they could pick the order up at school. Everything was very organized and went well. Students' names will be drawn for the winners of the money for participation.
- If your student attends on the hybrid A/B day schedule, please log into Family Access, by 10:00 AM on their at-home learning day and complete the Wellness Screening for your student. This will serve as the school's attendance check, to ensure your child is counted "present" on the days he/she is not receiving in-person instruction. It also is used to monitor your child’s wellness on days they are not in school. Thank you for helping with this.
- Thank you to parents and students for being so supportive through all of this. Please remember to keep your child home if he or she indicates they have any of the following symptoms including a temperature of 100.4 or higher, chills, muscle or body aches, sore throat, congestion or runny nose, diarrhea, fatigue, headache, recent loss of taste or smell, nausea, vomiting or abdominal pain. Lindbergh will continue to call home to have someone pick up their child if they or a sibling indicate they have any of these symptoms. We appreciate everyone’s efforts.
- Staff and administration are still trying to troubleshoot the best plan for students as we transition back to Distance Learning starting Monday, Nov. 30th, following Thanksgiving break, through January 15th. They are trying to keep students engaged while being aware of some of the technology issues.
