Principal's Message from Mrs. Sue Malahy

It is hard to believe that the end of the first semester is only a few weeks away. We have had a great first half of our year and are looking forward to it continuing. Thank you to everyone who helped with and attended the Taste of Lindbergh. It was a great success and we hope everyone enjoyed the evening.

This is a good time to talk with your student about their grades. If things are going well, you can ask your child about the strategies that are working for them and support the continuation of these. If there is room for improvement, now is an ideal time to develop a plan for change. With grades covering a semester, it is important to begin the semester strong and maintain grades. Encourage your child to ask for help at school. There are a number of opportunities for students to get extra help during the school day. They just need to let the teacher know they would like assistance.

Thank you for your continued support of our school!

Sue Malahy, Principal
