Principal's Message from Mrs. Sue Malahy

We have had a great first half of our semester. I am so impressed with the outstanding effort and positive attitude from students. Staff is working diligently to provide the best instruction for students to prepare them for their future and parents and families are getting involved with the school. We appreciate this commitment from everyone to help make Lindbergh the outstanding school that it is.

In talking with students, they agree that being at school each day and in all classes is helpful to understand the learning and to be able to ask questions and get help when needed. Teachers are also taking full advantage of instructional time pulling students who need extra help or enrichment at scheduled times throughout the week. If your student would be absent or not understand something in class, encourage them to talk to their teacher and arrange time to get help.

At the start of the school year, letters were mailed to all families telling how Peoria Public Schools collaborates with community partners to provide sexual health education curriculum in grades 5-9. These community partners include Peoria City/County Health Department, Hult Center for Healthy Living and the Center for Prevention of Abuse. This year’s instruction at Lindbergh will begin in November. If you wish to opt your student out of this instruction, please be sure forms have been returned to school.

Thank you for your continued support of our school!

Parent involvement matters and we need you!

Please join us for the next PTO Meeting on Thursday, November 1 at 5:30 PM in the library at Lindbergh and earn your child a uniform free day. Free childcare will also be provided.

MARK YOUR CALENDARS FOR THE TASTE OF LINDBERGH

THURSDAY, NOVEMBER 8TH FROM 5:00 – 7:30 PM

The Taste of Lindbergh is a long standing event that offers samplings of foods from some of Peoria’s favorite restaurants. This has become a sort of homecoming, with former Lindbergh students and families continuing to attend even after their students have moved on to high school. Food tickets will cost $1 and most food items will cost 1-3 tickets. Twenty-five presale tickets can be purchased for $20 through November 2. Please make checks payable to Lindbergh Middle School.

Restaurants that will be present include: Alexander’s Steakhouse, Childers, Chili’s, Fox Pub, Los Cabos, Little Caesar’s, Monicals, The Untamed Chef and the famous Teachers’ Chili. There is a fun room for kids and a Silent Auction. A wristband for unlimited play can be purchased for the Fun Room for $5. The Silent Auction will include items from local businesses and crafters. We hope to see you there!
