ARTICLE 1
RECOGNITION

1.1 The Board of Education of Peoria District #150, hereinafter referred to as the “Board” or “Employer,” recognizes the Policemen’s Benevolent and Protective Association Unit No. 114, hereinafter, referred to as the “Union,” or “bargaining unit,” as exclusive bargaining agent for all full-time and regular part-time school safety officers (hereinafter referred to as “Employees”).

1.2 Managerial, supervisory, confidential, short term and student employees are excluded from the bargaining unit.

1.3 Employees holding the titles of Director of School Security, Deputy Director of School Security, and Lead Officer are deemed to be managerial employees and are excluded from the bargaining unit.

1.4 No Employee shall be discriminated against for any purpose or in any respect by reason of membership in the Union or for participation in the process of negotiations and resolving of grievances.

ARTICLE 2
NEGOTIATION PROCEDURES

2.1 **General** – This part of the Agreement spells out the negotiations process between the Union and the Board on those topics of “Scope of Negotiations.” The Board shall not be required to bargain over matters of inherent managerial policy, which shall include but not be limited to such areas of discretion or policy as the functions of the Board, standards of service, its overall budget, the organizational structure, and selection of new employees and direction of employees. The Board, however, shall be required to bargain collectively with regard to policy matters directly affecting wages, hours, and terms and conditions of employment as well as the impact thereon upon request by Union representatives.
2.2 **Duty to Bargain** – The Board and the Union have the authority and duty to meet at reasonable times and confer in good faith with respect to wages, hours, and other terms and conditions of employment, and to execute a written contract incorporating any agreement reached by the parties.

2.3 **Negotiation Communications** – All requests for communication with the Board shall be channeled through the Director of Human Resources or his/her designated representative, and requests to the Union shall be made through the Union President or his/her designated representative.

2.4 **Scope of Negotiations** – The Union and the Board agree that negotiations in good faith shall encompass the following: wages, fringe benefits, hours of work, and terms and conditions of employment.

2.5 **Power to Negotiate** – It is the mutual responsibility of the Board and Union to confer upon their respective representatives the necessary power and authority to make proposals, consider proposals, and make counter-proposals in the course of negotiations, and to reach tentative agreement which shall be submitted to the Board and Union for ratification.

2.6 **Negotiation Team Membership** – Each party to negotiations shall select its individual negotiating representatives provided that the Board shall not select a bargaining unit member, as herein defined, as its representative.

2.7 **Meetings** – If negotiations are requested by either party on items specified in this Agreement, such negotiations shall begin no later than 30 days from the request to bargain, unless both parties agree to an alternate date. Meetings shall be held as necessary at times and places agreed to by both parties. Unless both parties consent, negotiations are not to begin before June 1.

Facts, options, and proposals will be exchanged freely during the meeting or meetings in an effort to reach mutual understanding and agreement on items defined as negotiable in this Agreement.

2.8 **Tentative Agreements** – During negotiations, tentatively agreed upon materials shall be prepared for the Board and the Union and initialed prior to the adjournment of the meeting at which such agreement was reached, or at the next meeting.
2.9 **Final Approval** – When the Union and the Board reach tentative agreement on all matters being negotiated, the items will be reduced to writing and shall be submitted to the members of the Union for ratification and the Board for approval.

2.10 **Declaration of Impasse** – If agreement is not reached on all items listed in the “Scope of Negotiations,” Paragraph 2.4, within ninety (90) days prior to the scheduled start of the forthcoming school year, either party may declare to the other in writing that an impasse exists and call for a mediator, under the rules and regulations pertaining to the Illinois Educational Labor Relations Act.

2.11 **Impasse Procedures** – When an impasse has been declared, the Federal Mediation and Conciliation Service shall be requested by the parties to appoint a mediator from its staff. The mediator shall have the authority to confer separately or jointly with the parties, review pertinent data and make suggestions and recommendations for settlement, provided that the mediator shall not make public the findings of fact or the recommended terms of settlement.

2.12 **Written Report by Mediator** – The mediator shall not issue a written report of any kind unless both parties agree to such a report. During mediation, both the Board and the Union agree to keep confidential all recommendations and reports, if any, made by the mediator, including offers by either party.

**ARTICLE 3**

**NON-DISCRIMINATION**

Neither the Board nor the Union shall discriminate, interfere, restrain or coerce any employee because of union membership or union activity or because of a lack thereof. Neither of the parties hereto shall discriminate against any employee on account of race, color, religion, national origin, sex, sexual orientation, age, physical and/or mental handicap, political affiliation or belief.
ARTICLE 4
UNION SECURITY

4.1 **Dues Deduction** – The professional dues of Union members may be deducted by the Payroll Department in accordance with the following stipulation. Payroll deductions shall be available to members of the Union providing the Union member shall give written consent for such deduction to the Payroll Department at least 21 days prior to the date of the first annual scheduled payroll deduction. Written consent for dues deductions at a time subsequent to the first annual scheduled payroll deduction shall be at least 10 days prior to the date of any subsequent deduction date.

4.2 **Number of Deductions** – The dues shall be deducted in an equal amount beginning with the first payroll check in September and ending with the twentieth payroll check thereafter.

4.3 **Responsibility** – The Union shall be responsible that the dollar amount to be deducted for each applicant is the accurate figure reported for its organization. The Union agrees to indemnify the Board from claims arising from the use of funds for political action.

4.4 **Voluntary Membership** – A member of the bargaining unit shall be entirely free to join or to abstain from joining the Union and to have complete freedom to participate or not participate in the payroll deduction plan.

4.5 **Continuing Authorization** – A union member’s written consent for the deduction of dues shall remain in effect until cancelled by the participating union member.

The payroll department shall be informed by the Union by August 15, of the amount to be deducted except for the first year.

4.6 **Payment** – Payment shall be made to the Union following each pay period in which deduction is in effect.
ARTICLE 5
PROFESSIONAL GRIEVANCE PROCEDURE

5.1 Definitions and Rules

A. Definition: A grievance is any difference arising between District #150 and the Union or any member of the bargaining unit with respect to the interpretation or application of the Agreement.

B. All time limits herein shall consist of school days except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all week days so that the matter may be resolved before the close of the school term or as soon as possible thereafter. School days for the purpose of the grievance procedure shall mean staff employment days.

C. All grievance time limits shall be followed except by written mutual agreement between parties involved. Illness or other incapacity of the staff member shall be grounds for any necessary extension of the grievance time limits.

D. The failure of the aggrieved person to act within the prescribed time limits will act as a bar to any further appeal. If no decision has been rendered within the time indicated within a step, then the grievance shall be processed to the next step.

E. Every member of the bargaining unit covered by this Agreement shall have the right to present grievances in accordance with these procedures, with or without representation. Nothing contained in this Article or elsewhere in this Agreement shall be construed to prevent any individual member of the bargaining unit, should he/she so elect, from presenting a grievance and having it adjusted without representation of the Union, although the Union shall have the right with the consent of the grievant to be present to observe at all steps of the grievance procedure, and provided any such adjustment is consistent with the terms in this Agreement. In the event a grievance is filed so that
sufficient time as indicated under all steps of the procedure cannot be provided before the last day of school and should it be necessary to pursue the grievance to all steps, then said grievance shall be resolved under the terms of this Agreement and this Article and not under the succeeding Agreement.

5.2 **Procedure**

**Step #1**

Within ten (10) working days of his/her knowledge of the occurrence, the grievant shall reduce the grievance to writing and present it to his/her immediate Principal/Supervisor. The Principal/Supervisor shall respond in writing by the end of the tenth working day following the day the written grievance is presented. The immediate Principal/Supervisor for the purposes of this procedure shall be that Principal/Supervisor with primary responsibility to resolve the grievance.

**Step #2**

If there is not a satisfactory resolution of the grievance at Step #1 or if the immediate Principal/Supervisor fails to respond within the specified time, the grievance shall be presented to the Director of Human Resources or designee. Such written grievance shall be submitted within ten (10) working days of the Principal/Supervisor’s reply at Step #1 or, in the absence of such reply, within ten (10) working days of the date the reply was due.

The written grievance shall state the nature of the grievance, shall note the specific clause(s) of the Agreement allegedly violated and shall state the remedy requested. Within ten (10) days after such written grievance is filed, the aggrieved, the representative of the aggrieved as desired, the Principal/Supervisor, and the Director of Human Resources or designee shall meet to resolve the grievance. The Director of Human Resources or designee shall make a decision within ten (10) days of the second step grievance meeting and communicate the decision and the reason for it in writing to the member of the bargaining unit.
Step #3

Binding Arbitration: In the event that the grievance has not been satisfactorily resolved at Step #2 of the Grievance Procedure, upon request of the Union, the Director of Human Resources or designee and the Union shall select the arbitrator from the Labor Mediation Roster maintained by the Illinois Educational Labor Relations Board. A Panel of five (5) arbitrators shall be submitted to both the Union and the Administration. If the Director of Human Resources or designee and the Union are unable to agree upon one of the panel members to resolve the grievance, an arbitrator shall be chosen by each party alternately striking one name from the list until one name remains. The remaining name shall be the name of the arbitrator. The Union shall strike the first name, the Director of Human Resources or designee shall strike the second name, etc. The proceedings before the arbitrator shall be closed to the public.

The arbitrator shall have authority only to interpret and apply the provisions of this Agreement and only to the extent necessary to decide the submitted grievance and shall not have authority to add to, detract from, or in any way alter the provisions of this Agreement in accordance with the Arbitration Rules and Procedures of the Illinois Uniform Arbitration Act (710 ILCS 5/1 et seq.) The decision of the arbitrator shall be binding on the parties.

Expenses for the Arbitrator’s service shall be borne equally by the Board and the Union or by the individual if he/she is not a member of the Union.

Administration participation in the earlier levels of the grievance procedure shall not constitute a waiver of the defense that the dispute involves management prerogatives outside the scope of the Bargaining Agreement and therefore not subject to binding arbitration.

5.3 No Reprisals Clause

A member of the bargaining unit who participates in these grievance procedures shall not be subjected to discipline or reprisal because of such participation.
5.4 **Hearings and Conferences**

A. Hearings, conferences, and binding arbitration under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons involved to attend, including witnesses entitled to be present, and will be held, insofar as possible, after regular working hours or during non-working time of personnel involved. When such hearings and conferences are held (at the option of the administration) during school hours, all of the bargaining unit members whose presence is required shall be excused, with pay, for that purpose.

B. It is agreed that any investigation or other handling or processing of any grievance by the grievance member of the bargaining unit or union representative shall be conducted so as to result in no interference with or interruption whatsoever of the work activities of the members of the bargaining unit.

5.5 **Aggrieved Person Representation** – The Board acknowledges the right of a grievance representative to participate in the processing of a formal grievance at any level once the grievance is reduced to writing. No member of the bargaining unit shall be required to discuss any grievance if he/she desires the presence of a representative and the representative is not present.

5.6 **The First Step** – The first step may be waived by agreement of the grievant and the Director of Human Resources or designee.

5.7 **Administration Cooperation** – The administration shall cooperate with the aggrieved person and his/her representative in any investigation of any formal grievance.

5.8 **Filing of Materials** – All documents, communication and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
5.9 **Grievance Withdrawal** – A grievance may be withdrawn at any level without establishing precedent.

5.10 **Individual Agreement** – The Employer will in no event negotiate individually with any employee, nor shall there be any bargaining agreement made other than this Agreement, unless same be made through duly authorized representatives of the Union.

**ARTICLE 6**

**UNION RIGHTS AND LABOR/MANAGEMENT COMMITTEE**

6.1 **Union Bulletin Boards** – The Union may use reasonable space on existing office bulletin boards in each security office. The items posted by the Union shall not be political, partisan or defamatory in nature. The Union shall present the principal with a copy of all materials to be placed on the bulletin board.

6.2 A copy of the most current Agreement between the Union and the Board shall be posted on the District website for employee reference. An overtime list shall be provided to the Union president on a monthly basis, but not more frequently than once a month.

6.3 The Union shall be allowed to meet with members of the bargaining unit prior to regular work hours, after regular work hours or at lunch time at a place designated by the principal or supervisor.

6.4 The Board Secretary will upon request provide an electronic Board meeting information packet to the President of the Union prior to each school board meeting.

6.5 The Director of School Safety or designee shall assess and determine the appropriate number of school safety officers assigned to school District events to provide adequate safety for students and District employees.

6.6 The Employer will provide adequate supplies and equipment to Security personnel.
6.7 Employees shall have access to their personnel files on reasonable notice. An employee shall have the right to add an explanation or other statements to any evaluation, reprimand or written warning.

6.8 Labor Management Committee - At least quarterly In September, January and May, the parties shall meet to discuss issues relating to the School Security Department. Three members of the Union’s Executive Board, inclusive of the Union’s labor representative, shall be present at such meetings. Each party may be represented by a representative or representatives of its choosing. Such meetings shall be held outside of the Union members’ normally scheduled hours of work and shall not be subject to compensation. The union and the administration shall prepare an agenda for the meetings, which shall be exchanged in advance of the meeting date and only agenda items will be discussed unless both parties consent to the discussion of additional issues.

6.9 During an interview where an employee has a reasonable belief that discipline or other adverse consequences may result, employees may request union representation before or at any time during the interview. If two representatives are equally available, an employee’s request for a particular representative must be honored.

ARTICLE 7
SENIORITY/PROMOTIONS/TRANSFERS/LAYOFFS

7.1 District Seniority – Seniority with the District shall begin on the official date of full-time employment as determined by Board action. All seniority shall be computed on the basis of continuous service, except that when an employee has been granted an official leave of absence, he/she shall retain his/her seniority to that date. No seniority will accrue during a leave of absence, but will resume when an employee returns from leave.
7.2 **Promotions** – Seniority of employees shall be an important factor, but not necessarily the only factor, in determining promotions within the bargaining unit. Other factors that will be considered are ability, qualifications, and performance. Thus, if two employees who are equal in ability, qualifications, and performance are being considered for the same positions, the employee with seniority would be given the position. If, however, the employee with seniority was not as well qualified as the other employee, then the other employee would be given the position. Qualified employees will be considered for vacancies in supervisory, managerial, or administrative positions.

7.3 **Transfers.** Transfers shall be defined as a change from building to building or from shift to shift.

A. Seniority shall be a consideration but not the only consideration in determining voluntary and involuntary transfers. The District also may consider other factors, including but not limited to the following: the operational necessities of various buildings, the performance evaluations of officers, the preferences of officers to work at particular locations, and the overall operational needs of the District at the time the voluntary or involuntary transfer was made.

B. Notwithstanding the provisions of this Paragraph, a voluntary transfer application shall not be considered unless:

   (a) The employee has two (2) years seniority with the District. This requirement may be waived with mutual written consent of the employee and the District; and

   (b) The employee has not been transferred at his/her request within the preceding twelve (12) months; or in the alternative, the employee agrees to remain in the new position for a period of not less than one (1) year.
C. Requests for voluntary transfers will not be denied for arbitrary and capricious reasons.

D. It shall be the responsibility of the Director of School Safety or designee and the Associate Superintendent for Human Resources or designee to evaluate each person being considered for a change in position or classification, and to make a decision.

E. The Union President shall be notified in writing of any transfer before such transfer becomes effective. In the case of involuntary transfers, the Union shall have the right to propose alternate transfers to the District’s proposed involuntary transfers within five business days after the President is notified of such transfers. Any alternative transfers proposed by the Union shall also include the reasons in support. Alternative transfers proposed by the Union may include previously-requested voluntary transfers to any position affected by the District-proposed involuntary transfers.

F. If a vacancy in a building exists, the District shall post the opening for a voluntary transfer for five days before filling the vacancy with an involuntary transfer or a newly hired employee. This paragraph does not apply to temporary re-assignments. A "temporary re-assignment" is defined as a re-assignment to a single position for a period of time up to twelve weeks.

7.4 **Vacancy Notices** – The administration shall inform employees via the District’s website when vacancies exist. Employees shall be allowed to have access to the District’s computers for the purpose of viewing the District employment opportunities and other District information.

7.5 **Layoffs, Recalls, and Job Seniority** – Seniority shall begin on the official date that an employee is hired by official Board action. Seniority is the only factor in determining layoffs and recall rights; provided, however, the employee subject to layoff or recall must be qualified to perform the job duties of other employees with less seniority within the bargaining unit at
the time a layoff or recall is being considered. In the event that any layoffs are necessary within
the bargaining unit, District #150 agrees to bargain the impact of such decision(s).

**ARTICLE 8**
**DISCIPLINE**

In the event of a suspension or discharge, the employee may file a grievance and have it processed in
accordance with the Grievance Procedure set forth in Article 5 of this Agreement. No employee shall
be confronted or warned before other employees, students, or the public in order to avoid public
embarrassment to the employee and the Employer. Employees shall have the right of Union
representation at any conference regarding allegations of misconduct. Disciplinary action taken by the
District shall remain confidential, except for Board resolutions regarding termination of employment.
No disciplinary action, other than a reprimand shall be taken against an employee unless a written
notice of alleged misconduct or lack of performance is given to the employee prior to disciplinary
action. An employee not performing his/her duties satisfactorily shall be notified by the District of the
reason(s) for his/her deficiencies. The District shall also notify the Union that disciplinary action is
pending. All new employees shall serve a probationary period of one (1) year from the date of
employment.

**ARTICLE 9**
**JOINING OR NOT JOINING ANY LAWFUL ORGANIZATION**

No principal, superintendent, or other administrative employee of this Board shall use his/her official
position, directly or indirectly, to influence, coerce or otherwise interfere with the inalienable right of
employees of the Board to join, or not join, any lawful organization.

**ARTICLE 10**
**JURY DUTY**

The Board shall pay the regular wages to an employee for actual time when called to serve as a juror
or when subpoenaed to appear before legal or quasi-legal or administrative review panels as witnesses
involving work-related matters. The employee shall remit to the district any per diem expenses received as part of such service, unless such service is rendered on a regular day off or on a District holiday. Employees who are subpoenaed in non-work related matters must use personal leave time or take a day without pay. Documentation for the appearance must be provided.

**ARTICLE 11**  
**ADVANCED STUDY/WORKSHOPS/CONFERENCES**

Personnel shall be encouraged to enroll in advanced training courses whenever such additional training will be beneficial to the operation of the school system. Such courses must be approved in advance by the building principal and the Human Resources office.

In addition, personnel who enroll at other recognized training institutions, based on time and the kind of training, shall be eligible for a tuition refund comparable to professional credit refunds granted to certificated personnel after satisfactorily completing such specialized courses, provided such study has been approved in advance by the Director of Human Resources. Approved in-service workshops / conferences attendance will not be charged as sick days.

**ARTICLE 12**  
**RETIREMENT COMPENSATION**

12.1 A retiring employee may utilize unused accumulated sick leave for IMRF service credit in accordance with IMRF rules and regulations. Additionally, for an employee who retires under IMRF, District 150 will pay upon retirement a cash bonus for unused accumulated sick leave not available for IMRF creditable service in the amount not to exceed forty percent (40%) of such accumulated sick leave days. Such compensation shall also be available in case of death of an employee to the widow, widower, or dependent children. In the case of a single employee, such compensation is available to his/her dependent parents. Payment of the cash bonus under this section for an employee who has died shall be in one lump sum and shall
occur one week after the close of the calendar month following the month in which the employee died (e.g., death date of March 23rd, payment shall be in the first week of June).

A portion of the bonus shall be paid ratably over the last twenty-four (24) months of employment to the extent that such payment will not cause the IMRF earnings of the employee in any 12 months to increase more than 6% over the immediately prior 12 months’ IMRF earnings and provided the employee signs an irrevocable Notice of Retirement not less than thirty (30) months prior to the employee’s stated retirement date. The 6% cap shall be adjusted if required by a change in legislation to reflect the statutory cap. Should an employee use sick leave days during the twenty-four (24) month period, the District shall have the right to offset any such payments from future retirement bonus payments due the employee under this Article. The remaining portion of the bonus not paid during the twenty-four (24) months shall be paid in a lump sum one week after the close of the calendar month following the month in which the employee terminated service and only where the employee terminated service on the date set forth in the Notice of Retirement (e.g., last day of work is March 23rd, payment shall be in the first week of June).

12.2 Early Retirement Incentive – The Board shall pay an amount not to exceed $5,756.00 for health care premium for an employee who retires from IMRF and meets one of the following eligibilities:

A. 30 years of service at age 55 through 57

B. 20 years of service at age 58 through 62

C. 15 years of service at age 63 until Medicare eligible. Upon the employee becoming Medicare eligible, the District will not cover the Health Care Premium for retirees. They will be covered by Medicare.
In addition, the District will pay $500.00 toward the incremental cost of any dependent coverage.

ARTICLE 13
TAX DEFERRED ANNUITY PROGRAM

There shall be made available to all regular full-time employees, by payroll deductions, the Tax Deferred Annuity contracts issued by any company which has been approved to do business in the State of Illinois, except that no contact may be made with any employee during regular working hours, nor in school buildings or on school property, and provided further that no school facilities shall be used for the distribution of literature or materials, and that the administration be authorized to establish such administrative regulations as are deemed necessary for the efficient administration of this program.

ARTICLE 14
FLEXIBLE BENEFIT ACCOUNT

The District shall make available a flexible benefit account to all full-time employees eligible for participation in the school district insurance program. The annual date of the Flexible Benefit Account shall be from January 1st to the following December 31st.

ARTICLE 15

ARTICLE 16

16.2 **Spousal Carve-Out** – Beginning with the commencement of the next insurance plan year on January 1, 2019, an Employee’s spouse is ineligible for health insurance if such spouse is covered under the spouse’s employer’s health insurance plan for which the spouse’s employer pays more than 50% of the cost of the premium and does not make the spouse ineligible for coverage due to the spouse’s pre-existing condition. A Medical Reimbursement Plan (Plan D) will be offered at no cost to all ineligible spouses who apply for Plan D coverage for the life of this Agreement.

16.3 **Dental Insurance** – Eighty percent (80%) of the cost of group dental insurance coverage for regular, full-time staff members, if requested, will be paid by the District. Such coverage shall require a $50 deductible per person to a maximum annual claim limit of $1,000 per person.

ARTICLE 17
GROUP LIFE INSURANCE

A regular, full-time employee will be insured at Board expense for $25,000 of group term life insurance. In addition, the Board shall allow, subject to acceptance by the insurance company, each regular, full-time employee to purchase additional life insurance. The additional coverage shall be purchased at a group rate and may be purchased to a maximum additional coverage of $200,000.
ARTICLE 18
SICK LEAVE

18.1 Each full-time employee shall be credited with a sick leave reserve of twelve days of full pay for each year of eligible service in the Peoria Public Schools. Such sick leave reserve may accumulate to a maximum of 260 days. If a full-time employee has accumulated more than 23 and less than 72 sick leave days prior to the commencement of any school year and during such year has exhausted all accumulated sick leave, then such employee may use up to three additional sick leave days in that school year.

18.2 Any employee who is appointed after the opening day of the normal working year shall be credited with one day of sick leave for each full month left in the normal working year.

18.3 Each year at the beginning of an employee’s term of employment, he shall have immediately available for use his/her entire sick leave reserve for that year as defined above, except that newly appointed employees must report for duty before being eligible for sick leave.

18.4 Extended Sick Leave Benefits
A. After employees have exhausted their regular sick leave reserves, they may apply for disability benefits through the Illinois Municipal Retirement Fund.

B. If disability occurs during the first year of employment and after regular sick leave benefits are exhausted, employees may receive one-half pay until they become eligible for disability benefits through the Illinois Municipal Retirement Fund, provided that in no case will the extended benefits be for more than 45 days.

18.5 Sick leave shall be interpreted to mean personal illness, quarantine at home or serious illness or death in the employee’s immediate family or household. The immediate family for purposes of this section shall include: parents, step-parents, spouse, partner in a civil union, brothers, sisters, children, step-children, grandparents, grand-children, parent-in-law, brother-in-law,
sister-in-law, daughter-in-law, son-in-law, and legal guardians. Attendance is an essential element of every position covered within this bargaining unit.

18.6 Sick leave shall not be charged for legal holidays.

18.7 In cases of continuous illness where an employee received compensation because of accumulative sick leave, a physician’s or practitioner’s certificate shall be submitted to the Human Resources Department, if the employee is absent for more than five days. A physician’s certificate may be required as deemed necessary in other cases.

18.8 The Board shall have the right to require an employee to submit to an independent medical examination at the employer’s expense. The resultant diagnosis, prognosis, and restriction and whether fit or unfit for duty shall be released to the Employer. If the employee believes that the diagnosis, prognosis, and restriction is inaccurate, the employee may be tested by a physician of her/her choosing.

18.9 No employee shall lose his/her accumulated allowance of unused days of sick leave by reason of having been on leave of absence or because of service in the Armed Forces of the United States.

18.10 In the event an employee shall become ill, sick leave shall be deducted in 15-minute (or .25 of an hour) increments.

18.11 Absence of up to thirty (30) days per year due to duty-connected injury shall not be deducted from the employee’s accumulated sick leave provided he/she qualifies for benefits under Workers’ Compensation. B. The following formula shall be used for computing wage deductions for absences for which personnel are not to be paid:

Hourly rate x # of hours missed = pay to be docked

**ARTICLE 20**

20.1 Leave of Absence for twenty days or less:
A. Request for leave of absence without pay shall be made in writing to the Associate Superintendent for Human Resources and routed through the Director of School Safety or designee.

B. The Director of Human Resources may grant up to five days leave of absence without pay, and the Superintendent or his/her designee may grant up to twenty days after taking into consideration the following factors:
   a) The nature of the request.
   b) The recommendation of the building principal.
   c) The availability of a qualified substitute.

20.2 Leave of absence for more than twenty days: employees may be granted a leave of absence for twenty (20) days or more only by action of the Board based on the following conditions:

I. Leaves of absence without pay may be granted for study, travel to work in an educational program sponsored by an official governmental agency (Peace Corps, Job Corps, etc.), to serve in public office, or for other good and sufficient reason.

20.3 **Family and Medical Leave**

A. All terms used in this Section have the meaning as they are defined and used in the “Family and Medical Leave Act of 1993” (“FMLA”) 29 U.S.C §2601 *et seq.* and any regulations promulgated thereunder.

B. Eligible employees (as defined in the Act means those employed for at least twelve (12) months with the District for at least 1250 hours of service with the District during the previous twelve-month period) are entitled to a total of twelve (12) work weeks unpaid leave during any twelve-month period for one or more of the following reasons:

a. The birth of a child of the employee and to care for the child [expires twelve (12) months after birth];

b. The placement of a child with an employee for adoption or foster care [expires twelve (12) months after placement];

c. To care for the spouse, son, daughter, or parent of an employee, if the family member has a serious health condition;
d. An employee is unable to perform the function of the position because of the employee’s own serious health condition.

C. Leave taken after the birth of a healthy child or for the placement of a healthy child for adoption or foster care cannot be taken intermittently or on a reduced leave schedule. Employees may seek intermittent or reduced leave for other reasons permitted under the FMLA provided that, in accordance with the FMLA, medical certification is submitted to the Director of Human Resources to substantiate the need for such leave.

D. All requests for leave due to a serious health condition shall include a certification issued by a health care provider. The certification must include:
   a. the date the condition began;
   b. Its probable duration;
   c. Appropriate medical facts;
   d. A statement that the employee is unable to perform the job function or that the employee is needed to care for a family member with a serious medical condition for a specific time.

E. The District may require the employee to obtain the opinion of a second health care provider designated by the District, and to be paid for by the District. In the event of a conflict between the first and second opinions, the District may, again at its expense, obtain a third opinion from a health care provider approved jointly by the District and the employee, and this opinion will be final and binding. The District may require that an eligible employee obtain subsequent recertifications.

F. An eligible employee returning from leave has the right to be returned to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
G. An eligible employee will retain all accrued benefits while on leave, however, no other benefits will accrue during the period of the leave.

In addition to any remedies provided by law, if the employee fails to return from leave for a reason other than a serious health condition that would entitle the employee to a continuation of leave or other circumstances beyond the employee’s control, the employee must reimburse the District for all premiums it has paid for maintaining the health plan coverage during the period of leave. This “serious health condition” must be evidenced by a timely certification from the appropriate health care provider provided to the Director of Human Resources, which must include the points of paragraph 4. c and d above.

H. Should there be a miscarriage, or should the death of the child occur within the period of leave, the employee may, in writing, request early reinstatement. Should a position become available for which the employee is qualified, the employee shall be offered reinstatement to that position.

I. An employee who is pregnant may continue on active employment as late into her pregnancy as she desires, provided she is able to perform all of her essential functions.

J. An eligible employee must give notice to the District, in writing, to the Director of Human Resources, at least thirty (30) days prior to the date on which the leave is to begin, of his or her intent to take leave in cases of expected birth, placement of a son or daughter, or planned medical treatments. When circumstances require a leave to begin in less than thirty (30) days as with a premature birth, sudden changes in a serious health condition, or the availability of a child for placement, the eligible employee must give as much notice as is practicable.

K. Paid and unpaid leave times run concurrently.

20.4 **Bereavement Leave** – A staff member may have up to three (3) days’ leave with pay to attend the funeral of a parent, spouse, partner in a civil union, sibling, child, grandparent, grandchild, parent-
in-law, brother-in-law, sister-in-law, daughter-in-law, son-in-law, or legal guardian. Sick leave will not be charged for funeral leave and a staff member would be permitted up to fifteen (15) days’ sick leave (from available sick leave) if they were not able to return to work due to the death of a spouse, child or parent.

ARTICLE 21

Should a position become available, the employee shall be reinstated providing there is a position for which he/she is qualified.

21.3 An employee who is pregnant may continue in active employment as late into her pregnancy as she desires, provided she is able to perform all of her required functions.

21.4 A request to elect parental leave shall be made in writing to the Director of Human Resources at least thirty (30) days prior to the date on which the leave is to begin except in a case of emergency. 23.5 Overtime will be afforded in an equitable manner by using a rotating system of overtime. One overtime list will be maintained for CSO III officers and a separate overtime list will be maintained for CSO I and CSO II officers. Offers of overtime will be made in order of descending seniority.

When an employee is offered and accepts overtime, the employee’s name will be moved to the bottom of the list. When an employee is offered and refuses overtime, the employee’s name will be moved to the bottom of the list. If all refuse the overtime, it shall be assigned to the employee with the least departmental seniority on a rotating basis. The Director of School Safety or designee will report all overtime on a monthly basis to the Union president.
