7. PRESENTATION BY AUDIENCE

(Board Policy 2.226 – An individual may address the Board at this time for no more than 1 minute if allotted as appropriate, at the discretion of the chair and with the concurrence of the majority of the Board. Total time on any one subject shall exceed twenty minutes, only at the discretion of the chair and with the concurrence of the majority of the Board. Each speaker will fill out a “Request to Speak to the Board of Education” card and present it to the Board Secretary before the meeting begins.)

8. RESPONSE TO AUDIENCE PRESENTATIONS

INFORMATION ITEMS

(Information items are reports from the Administration to the Board that deal directly with the Board’s stated and approved annual objectives for the school district. These reports are intended to update the Board on the progress being made to achieve those goals. While they require no action by the Board, the Superintendent or Board President may ask for a consensus of the Board to be taken in order to provide guidance to the administration. Occasionally the Superintendent may ask to include presentations from the administration or from the community on items of importance to the school district that do not fall into one of the Board’s annual objectives.)

1. Proposed expenditures over $2,500
2. Report of Requests under the Freedom of Information Act and Status of Such Requests

BOARD OF EDUCATION  

SUBJECT: CrisisGo Renewal  

Proposed Action by the Board of Education:  

That the Board of Education approve the renewal or the CrisisGo Safety App for the cost of $17,050.00 (See attached quote). CrisisGo Safety Suite empowers staff by transforming their smartphones, PCs, and mobile devices into safety assistants that can:  
• Report threats and call for help anywhere, anytime.  
• Connect Safety Teams and emergency instructions to individuals involved in a crisis.  
• Increase safety awareness through training, reminders, and information sharing.  

Background:  

CrisisGo takes safety information out of 3-ring binders and puts it into mobile devices, PCs and smartphones by bringing the emergency management cycle of preparation, mitigation, response, and recovery into one platform. CrisisGo increases the effectiveness of a crisis plan and team. Safety Teams are able to use CrisisGo incident management and emergency communications platform to capture all incidents, automate safety awareness, and provide faster responses.  
Some other benefits of CrisisGo  
• The intuitive CrisisGo mobile App allows users to report a threat or an incident.  
• Users can be alerted and guided to safety with actionable instructions and two-way emergency communication.  
• CrisisGo provides numerous safety tools in the mobile App to assist in any crisis.  
• Improved coordination of emergency response teams with easy access to Safety Teams.  
• Large-scale incident data collection and review.
