SUBJECT: WASHINGTON GIFTED - LORADO TAFT FIELD SCHOOL – 8th GRADE

**Proposed action by the Board of Education:**

That the Board of Education approve the field trip for Washington Gifted 8th grade students to travel to Lorado Taft Field School in Oregon, IL., March 28 - April 1, 2022, per Board Policy 6:240. Students will need to meet certain eligibility requirements promoting attendance and good behavior. The cost of the trip is $300.00 per student. No student will be denied attendance due to inability to pay.

**Background:**

Each year, the 8th grade students at Washington Gifted Middle School attend Lorado Taft Field School, located in Oregon, Illinois, and operated by Northern Illinois University. This outdoor field experience program has been in place at this school for well over twenty-five years.

Parents pay a fee for their child to attend. The fee is $300.00 per child and this covers all room, board, food, transportation, and supplies. Additional donation and fundraising ensure no child is denied attendance due to the fees. During the Lorado Taft experience, students continue with their academics, but in a format unique to this Field School. Students engage in environmental initiatives and education, orienteering, writing, math, history, and art.

SUBJECT: APPROVAL OF A COLLEGE VISIT TO HARRIS STOWE STATE UNIVERSITY (HBCU)

Proposed action by the Board of Education:

That the Board of Education approve a college visit to Harris Stowe State University, which is a historically black public university located in St. Louis, MO. The purpose of the trip is to expose high school students to postsecondary opportunities. The total cost is $2,998.00 and will be paid through the Lights On, Peoria federal grant.

Background:

One of the objectives of the Lights On, Peoria grant is to help students prepare for postsecondary opportunities. This objective directly aligns with the Illinois Postsecondary and Career Expectations (PaCE) Framework adopted by the state of Illinois. Students have toured institutes of higher education in Illinois. However, many students have expressed interest in visiting historically black colleges and universities (HBCUs). There are no HBCUs in the state of Illinois.
