Proposed Action by the Board of Education:
That the Peoria Board of Education approve the attached Memorandum of Understanding regarding the New Teacher Project.

Background Information
The New Teacher Project (TNTP) is a District initiative that is being implemented at 12 schools and 2 “Math Lab” demonstration sites. The objectives of the Project are: (a) Ensure that students in grades K-12 have access to high-quality mathematical academic experiences, (b) improve access to the four resources of the “Opportunity Myth” in all math classrooms —i.e., Grade appropriate assignments, strong instruction, high expectations, and relevant engaging lessons, and (c) accelerate math rather than remediate it in a post-COVID world.

Implementation will include observations of classroom instruction, collecting assignments, and surveying teachers about their expectations for students during the 3-phase process of the implementation.
