

Regular Meeting
Board of Education
June 14, 2010

The Board convened in the Superintendent's Conference Room of the Administration Building at 4:30 p.m. President Debbie Wolfmeyer called the meeting to order. The following members answered the roll call: Butler, Gorenz, Parker, Petelle, Ross, Stowell and Wolfmeyer.

EXECUTIVE SESSION -- Moved by Butler, seconded by Petelle to adjourn into executive session to: approve minutes of the last meeting June 7, 2010 Section 2(c) (21); Student Discipline Section 2(c) (9); Appointment, employment, compensation, discipline, performance, Board dismissal of specific employees or legal counsel Section 2(c) (1); Collective negotiating matters Section 2(c) (2); Litigation against, affecting or on behalf of the School District Section 2(c) (11); Purchase or lease of real property, setting of price for sale or lease of property Section 2 (c) (5)&(6). Motion carried. No action was taken in executive session.

ADJOURNMENT – Mrs. Wolfmeyer adjourned the executive session at 6:25 p.m.

The Board convened in regular session at 6:30 p.m. in the Diagnostic Learning Center. The following members answered the roll call: Butler, Gorenz, Parker (6:40), Ross, Petelle, Stowell and Wolfmeyer.

Mrs. Wolfmeyer reported that Action Item #18 has been pulled from the agenda.

MINUTES – There were no additions or corrections to the minutes of the regular meeting of May 24, 2010.

ANNOUNCEMENTS – Mr. Glen Barton gave a progress report on the Quest Charter School Academy detailing progress over the past twelve months. They are scheduled to open August 24, 2010, which is in 71 days, with a total of 225 students in grades 5, 6, & 7, of which 202 have been District 150 students. Mr. Barton detailed the demographics of the group of students selected, which seems to mirror District 150's demographics. The Charter School is about half way through the interviewing process for staff, and plans to have a total of 15 teachers. The Charter School will offer special programs such as Gateway to Technology and Project Lead the Way. They will also have special programs for accelerated students. Students will attend school 1 hour longer, for 11 more days, which amounts to 25% more instructional time. Mr. Barton introduced Mr. Engin Blackstone, Principal of the Academy. Dr. Gorenz stated that the Board had asked for assessment tools for a matrix and asked if that has been developed. Mr. Barton responded that they are working on that project and are ready to start discussions.

Mrs. Wolfmeyer stated that she has heard from parents who have concerns about extra curriculums such as music, band, orchestra, and Key Club. Mr. Barton responded that most of those will be available at the Quest Academy. Dr. Gorenz asked if Quest students can participate in extra curriculums at our high schools if something is not offered at Quest and stated that if needs to be researched. Mr. Barton responded that he thinks it will be much like the parochial schools.

Ms. Petelle asked if the charter school group has done a statistical breakdown yet of the demographics. Mr. Barton responded they have not. Mr. Stowell stated that there is a lot of research on collaboration and he hopes the charter group brings information back to the district.

Mr. Stowell reminded everyone that the District 150 Foundation Golf Outing is scheduled for June 28, 2010 at the Country Club of Peoria. There are still openings for anyone who would like to play golf, or if someone is not a golfer, they could come for dinner.

AWARDS AND RECOGNITION – Mr. Stowell also congratulated Mrs. Donna O'Day for nominating Mr. Ron Tyler from Counseling and Family Services as the recipient of the Houlihan Award presented by the Children's Hospital. Mr. Stowell displayed a Journal Star article about the Rough Rider Program in which some of our students from the Knoxville Center participate.

Dr. Gorenz pointed out the artwork on the walls behind Board members. During the 2009-10 school year, the students at Knoxville Center for Student Success partnered with the Peoria Art Guild to bring experiences with the visual arts to their school. For two days each month, groups of students traveled to downtown Peoria to work with local artists. Students were involved in photography, drawing, painting, and sculpture. The partnership was successful for both the students and artists. The students - who have experienced ongoing difficulties in school - increased attendance and reduced behavioral referrals. The staff observed a positive change in students' attitudes and levels of participation. The artists were impressed with the true artistic talent in many of the students. This artwork is a sampling of that work. We thank all the local artists who helped inspire our students.

PRESENTATION BY AUDIENCE - Neidre' Tate, 2215 N. Wisconsin Avenue, expressed gratitude for Mrs. Scott, a first grade teacher at Glen Oak Primary School. She brought pictures and comments from students of Mrs. Scott indicating their love for her. Ms. Tate also suggested the district develop a support system for absenteeism rather than suspending students for truancy.

Sevino Sierra, 1708 S. Stanley, did not see any Board members at Woodruff High School on the last day. He also feels the Board is wasting tax dollars and that Peoria High School is antiquated.

Sharon Crews, 2215 W. Calendar feels the current high school summer school is a bad plan. She thinks Dr. Lathan is operating with false information. A Freedom of Information Act response said that Title 1 money was never before requested for summer school. Mrs. Crews stated that summer school should be mandatory and self-supporting.

Karen Adkins-Dutro, 2610 W. Barker, stated that communication is a problem. The district edits public comments from television. There is construction for District 150 happening in many buildings; Thomas Jefferson, Hines, Richwoods, Lindbergh, and Kellar. Glen Oak and Harrison have been built from scratch. She requests some of that money be used to add an elevator to Whittier Primary and any other school that doesn't have one. Ms. Petelle responded that Public Building Committee money can only be used for named sites.

Terry Knapp, 922 W. Wilshire Drive, asked how many students scheduled to attend the charter school have IEP's or are English Language Learner students. He also asked what the Board plans to do with the DLC? He stated that it was recommended long ago to close Blaine Sumner. He is angry that costs were not included in the list of possible cost reductions distributed at last week's Committee of the Whole meeting. Mr. Knapp also distributed a sheet of information indicating that the Strategic Communications Committee stopped meeting in February, 2009.

Bob Darling, 230 E. High Point, stated that three or four months ago there was a concern by some that the student population of the charter school would not be reflective of Peoria. He states that it does represent the population of Peoria and he hopes that continues. Mr. Darling stated that the placing of staff this past month has been very frustrating. Principals may not get who they want. Mr. Darling stated that while Mr. Barton stated that the charter school will have a focus on strong discipline and safety, and Mr. Darling would like that to be the case in all district schools. He questioned amount of funding for Adult Ed. He will call Ms. Schau to verify. Mr. Darling was upset that at the joint meeting with the City Council and School Board no one asked what the union is ready to do to increase student achievement. Mr. Darling thanked Dr. Gorenz for his many years on the School Board.

Gary Skinner, 4301 W. Rockwell Dr., has a special needs son at Jamieson School. Rumor is that Jamieson is closing. The school is very important to his son and he does not want Jamieson to close. Mrs. Wolfmeyer responded that Jamieson is not slated to close.

Mrs. Wolfmeyer reported that the Strategic Communications Committee did not meet during contract negotiations. Since the contract was settled, communication has been very open between the board, administration, and the union.

INFORMATION ITEMS - REPORTS FROM SUPERINTENDENT AND STAFF -

1. GOAL 1 - STUDENT ACHIEVEMENT

2. Goal 2 – FISCAL RESPONSIBILITY

PURCHASE ORDERS OVER \$2,500 – Ms. Schau presented this report for the Board's review. Questions were asked and answered regarding the report. Ms. Schau reported that the district will once again have a Purchasing Agent that will work with all buildings. Mrs. Ross asked again for an overview on how we have spent stimulus money and what has not yet been received. Mr. Stowell expressed concerns about SES providers. Dr. Gorenz thought Chicago got a waiver to provide the services themselves and would like for District 150 to try to do the same. Dr. Lathan stated that normally a district in corrective action can not provide the services internally.

3. GOAL 3 – QUALITY STAFF

4. GOAL 4 – SAFE, CARING ENVIRONMENTS

5. GOAL 5 – CULTURE OF CUSTOMER SERVICE - Report of Requests under the Freedom of Information Act and Status of Such Requests. Dr. Lathan reported that since our last Board meeting report, we have received eight new Freedom of Information Act requests. Of those new requests, five were filled and three are pending. Of the even pending requests noted on the May 24, 2010 board report, one is still in pending status and six were filled. We have received 83 requests for this calendar year.

CONVERSION OF THOMAS JEFFERSON PRIMARY SCHOOL FROM A TARGETED ASSISTED TITLE I SCHOOL TO A SCHOOLWIDE TITLE 1 SCHOOL – moved by Butler, seconded by Stowell that the Board of Education approves the Title I Schoolwide Plan prepared and submitted by Thomas Jefferson Primary School.

On roll call, 7 ayes. Motion carried.

INTERGOVERNMENTAL AGREEMENT REGARDING JOINT PURCHASING BETWEEN THE CITY OF PEORIA AND THE BOARD OF EDUCATION, CITY OF PEORIA SCHOOL DISTRICT NO. 150 – moved by Butler seconded by Stowell that the Board of Education authorizes the President of the Board of Education and the Superintendent of Schools to execute the Intergovernmental Agreement with the City of Peoria regarding joint purchasing of goods and services.

On roll call, 7 ayes. Motion carried.

INTERGOVERNMENTAL AGREEMENT FOR WASTE COLLECTION SERVICES FOR DISTRICT 150 BETWEEN THE CITY OF PEORIA AND THE BOARD OF EDUCATION, CITY OF PEORIA SCHOOL DISTRICT NO. 150 – moved by Stowell seconded by Ross that the Board of Education authorizes the President of the Board of Education and the Superintendent of Schools to execute the Intergovernmental Agreement with the City of Peoria and the Board of Education to provide waste collection at District 150 facilities as set forth in the City's contract with PDC Services, Inc.

On roll call, 7 ayes. Motion carried.

PURCHASE OF ACTIVITY FUND SOFTWARE – moved by Gorenz, seconded by Petelle that the Board of Education approves the purchase of Activity Fund accounting software from The Active Network.

Mr. Stowell expressed concerns about the phasing out of high school treasurers. Ms. Schau responded that each year the auditors have recommended stronger internal controls of school activity funds and this is an attempt to address that concern. Mrs. Parker asked if administration had checked with other districts that use this software and Ms. Schau responded that not only was this the least expensive program, but it also came with the best references.

On roll call, 7 ayes. Motion carried.

AECOM CONSTRUCTION CONTRACT – moved by Gorenz, seconded by Butler that the Board of Education approves the contract for Construction Management Services as presented.

Mr. Sowell expressed concern that his understanding was that only Dave Ryon was going to be used by the district. Ms. Schau responded that this proposal includes others so that the district can have full support when Mr. Ryon is not available. Mr. Stowell also expressed concern that the agreement seems to be open ended, with no monetary limit included. Ms. Schau answered that the ultimate goal is that the money spent will not exceed Dave Ryon's annual salary. If is front loaded for this summer to help with the current projects that will be winding down. The projects covered by this agreement are the Glen Oak School project, the Harrison School project and the Peoria High Renovation project. Mrs. Ross asked if administration had looked at the new Building and Grounds manager to do this work. There was much discussion about the needs of the district over the next couple of years to see the district through the completion of the many construction projects in process and planned. Ms. Schau explained that this contract is for construction management to oversee services. Dr. Gorenz stated that he thinks it make sense to do this, but would be more comfortable if the contract had a "not more than" clause for the monetary amount of the contract. Mr. Walvoord agreed and it was decided that an addendum for "not more than" would be added.

Moved by Stowell, seconded by Gorenz that the Board of Education approves the contract with AECOM Construction Contract for Project Management / Construction Management Services as amended, including a "not to exceed the amount of Dave Ryon's annual salary" clause.

On roll call, 6 ayes Ross, Stowell, Butler, Gorenz, Parker, Wolfmeyer, 1 nay Petelle. Motion carried.

REPORTS AND SUGGESTIONS BY BOARD MEMBERS – Ms. Petelle asked that the Board be given a final plan for when Peoria High School opens in the fall, as well as a final report from Mrs. Williamson about the high school consolidations.

Mrs. Parker again asked that the Policy Committee look into requiring newly hired employees to reside within District 150.

ADJOURNMENT – Mrs. Wolfmeyer adjourned the regular meeting at 8:25 p.m.

Debbie Sullivan,
Board Secretary
