
School District Organization

School District Philosophy

Mission Statement

Meet the changing educational needs of students and our community by providing quality learning opportunities which will equip all students to build educational foundations for lifelong success.

Vision Statement

The Peoria Public Schools, with the support of the total community, provides superior learning opportunities for a diverse student population leading to life-long learning and financial security for our graduates.

Board Credo

We, the Board of Education, dedicate our services to the education of the students of the Peoria Public Schools. We provide the leadership for the achievement of the District's Vision and Mission by employing the Superintendent and treasurer, adopting policies that ensure fiscal responsibility and maximum academic achievement.
