

Attention Parents

On **January 25, 2016**, the Board of Education approved an update to **Board Policy 7:100**, requiring **health documentation compliance by the first day of school**. Students not in compliance by the first day of school (August 17, 2016), will not be allowed to start the school year until all health documentation requirements are met.

Families are strongly encouraged to schedule health appointments now, so that documentation can be prepared and turned in to your school, avoiding first day compliance issues.

Pre-Kindergarten:

- Physical exam – “Dated within one year of the first day of school”
 - Health history (completed and signed by parent/guardian)
 - Diabetes Screening Assessment (practitioner report)
 - Proof of Lead Risk Assessment (proof of blood test is required for students living in high-risk Zip codes 61602 through 61606) (practitioner report)
- 4 DTaP shots (Diphtheria, Tetanus, Pertussis)
- 3 Polio shots
- 1 MMR shot (Measles, Mumps, Rubella)
- 1 or more Hib shots (Haemophilus influenzae type B)
- 3 Hepatitis B shots
- 1 or more Pneumococcal shots
- 1 Varicella (Chicken Pox) shot or proof of having had the disease

Kindergarten:

- Physical exam – “Dated within one year of the first day of school”
 - Health history (completed and signed by parent/guardian)
 - Diabetes Screening Assessment (practitioner report)
 - Proof of Lead Risk Assessment (proof of blood test is required for students living in high-risk Zip codes 61602 through 61606) (practitioner report)
- 4 DTaP (Diphtheria, Tetanus, Pertussis) shots with last dose at age 4 years or later
- 3 Polio shots with last dose at age 4 years or later
- 2 MMR shots
- 2 Varicella (Chicken Pox) shots or proof of having had the disease
- Eye Examination – Due October 15th – “Dated within one year of the first day of school”
- Dental Examination – Due May 15th - “Dated within 18 months prior to May 15th”

2nd Grade

- Dental Examination – Due May 15th – “Dated within 18 months prior to May 15th”

6th grade:

- Physical exam – “Dated within one year of the first day of school”
 - Health history (completed and signed by parent/guardian)
 - Diabetes Screening Assessment (practitioner report)
- Proof of 1 Meningococcal shot (MCV4) – given at age 10 years or later.
- Proof of 1 Tdap (Adult Tetanus, diphtheria, and pertussis) shot – given at age 7 years or later
- Proof of 3 Hepatitis B shots (normally given in infancy – most students are already compliant)
- 2 Varicella (Chicken Pox) shots or proof of having had the disease
- Dental Examination – Due May 15th – “Dated within 18 months prior to May 15th”

9th grade:

- Physical exam – “Dated within one year of the first day of school”
 - Health history (completed and signed by parent/guardian)
 - Diabetes Screening Assessment (practitioner report)
- 2 Varicella (Chicken Pox) shots or proof of having had the disease

12th grade:

- Proof of 2 Meningococcal shots (MCV4) – with second dose given at age 16 years or later.
**If the first dose of MCV4 was given at age 16 years or later, then only one dose of MCV4 is required.*

For students entering an Illinois school for the first time from a home schooling program, out of state, or from out of country:

- Proof of physical exam – “Dated within one year of the first day of school”
- Up-to-date Immunization record
- Grades K-12: Proof of eye exam – due by October 15th – “Dated within one year of the first day of school”

For students transferring from another Illinois school district:

- Proof of physical exam from last mandated grade level
- Up-to-date immunization record

*** Sports physicals are required every 395 days (1 year plus 1 month) for students participating in athletics (including cheerleading and dance). A sports physical does not replace a physical exam.

SCHOOL PHYSICALS - The "school" physical exam form must be completed on the 2/2013 updated "Certificate of Child Health Examination" form (http://www.idph.state.il.us/health/vaccine/child_hlth_forms/Child_Hlth_Exam_Cert.pdf). The health care provider may indicate approval for sports for one year on that form.

SPORT PHYSICALS - are required annually (valid for 395 days); the parent and athlete must complete / sign the health history. The IHSA / IESA sport form (<http://www.ihsa.org/documents/sportsMedicine/2013-14/Pre-participation%20Examination%202013-14%20042413.pdf>) is NOT accepted as proof of the "school" physical exam.

MEDICATION AUTHORIZATION - For students to take their medication at school, the District Medication Authorization form must be completed and turned in to the school office annually. For inhalers only, a Xerox copy of the prescription label on the box substitutes for the health care provider portion of the form. (See form in "Back to School" mailing packet.)

For Epipens, the Illinois Food Allergy Emergency Action Plan and Treatment Authorization substitutes for the D150 school form. http://www.isbe.net/nutrition/pdf/food_allergy_emer_action_plan.pdf

For students with diabetes, the DMMP (Diabetes Medical Management Plan) serves as their insulin / glucagon order: <http://www.childrenshospitalofillinois.org/pdfs/specialty-services/pdrc/DMMP-Student-Requiring-Insulin-Therapy.pdf>

PHYSICAL EXAM

Students entering grades Pre-K, Kindergarten, 6th and 9th grade, and students enrolling in Peoria Public Schools for the first time from home school, out of state, or out of country are required to show proof of a physical exam dated within one year of the first day of school. Students entering from another Illinois school district must submit a physical exam for the mandated grade levels listed above.

If you need a doctor or clinic, call:
