Facility Management and Expansion Programs

Facility Development and Expansion Programs

When making decisions pertaining to design and construction of school facilities, the Board of Education will confer with members of the staff and community, the Illinois State Board of Education, and educational and architectural consultants, as it deems appropriate. The goals for the District's development and expansion program are:

1. Integrate facilities planning with other aspects of planning and goal-setting.
2. Base educational specifications for school buildings on identifiable learner needs.
3. Design buildings for sufficient flexibility to permit new or modified programs.
4. Design buildings for maximum potential for community use.

Managing Buildings and Grounds

The Superintendent shall develop procedures for managing buildings and grounds.
