Safety Program

The School District shall have a safety program promoting the safety of everyone on District property or at a District event. In order that the Board can monitor this goal's achievement, the Superintendent shall make regular reports to the Board containing relevant information.

The Superintendent or designee shall develop and implement a comprehensive safety and crisis plan incorporating both avoidance and management guidelines. The comprehensive safety and crisis plan shall specifically include provisions for: injury prevention; bomb threats, weapons, and explosives on campus; school safety drill program; tornado protection; instruction in safe bus riding practices; emergency aid; and post-crisis management. During each academic year, each school building must conduct a minimum of:

1. Three school evacuation drills,
2. One bus evacuation drill, and
3. One severe weather and shelter-in-place drill.

A law enforcement drill is optional.

In the event of an emergency that threatens the safety of any person or property, students and staff are encouraged to use any available cellular telephone. A school bus driver is prohibited from operating a school bus while using a cellular telephone, except: (1) during an emergency situation, (2) to call for assistance if there is a mechanical breakdown or other mechanical problem, (3) where a cellular telephone is owned by the School District and used as a digital two-way radio, and (4) when the school bus is parked.

The contractor shall obtain a criminal history background check through the school district before sending any employee or agent to any school building or school property. Additionally, at least quarterly, the contractor shall contact the local law enforcement authority where each employee or agent resides to determine if the employee is on the list of registered felons who have committed child sex offenses.

Unsafe School Choice Option

The unsafe school choice option allows students to transfer to another District school or to a public charter school within the District. The unsafe school choice option is available to:

1. All students attending a persistently dangerous school, as defined by State law and identified by the Illinois State Board of Education.
