STUDENTS

Parental Notification of Medical Emergencies

All District operations, including the response to a medical emergency or potential medical emergency, shall be conducted in a manner that will promote the safety and security of everyone on District property or at a District event. Medical professionals employed by the District, including school nurses, will act in accordance with the standards of their professional licensure and will follow the rules and regulations promulgated by the Illinois Department of Public Health.

In the event of an actual medical emergency involving a District student, the Principal or his or her designee shall notify the student’s parent/guardian of the incident as soon as practicable.
